Beyond The Lectionary Beyond The Lectionary:

Beyond the Lectionary David Ackerman, 2013-06-28 Beyond the Lectionary gives preachers a new year of Biblical texts that are not found on Sundays or other mainline Protestant holy days in the three year cycle of the Revised Common Lectionary It provides readings from the Hebrew Bible Psalms Epistles New Testament and Gospels for each Sunday of the liturgical year along with several midweek observances The texts have been selected with an eye toward continuity progressing in order and complementarity textual completion or harmony and they are accompanied by commentaries and prayers Written in language that is accessible to both lay people and professionals Beyond the Lectionary has the potential to transform congregational culture by bringing more of the content of scripture to people's awareness *Beyond Reading* Douglas Leal, 2022 Assemblies recognize the difference between a lector who simply reads and one who truly proclaims the Word of God They perk up and take special notice when they sense that the lector has worked to get inside the text to express the meaning authentically and to draw them into the story Douglas Leal has spent decades as a lector lector trainer actor and director He knows how to coach lectors beyond reading so they can become proclaimers of the Word The conversational spirited style of the book recreates the sense of a live training session with the author In a magazine format with running text surrounded by boxes that focus on a particular subjects and techniques a tool from the actor's toolbox or an encouraging story from the world of acting the book presents a wealth of wisdom and practical instruction that can carry a lector far beyond basic training Chapter by chapter Leal guides lectors to Understand their role as sacred storytellers Learn how to study the text closely understand its style notice its literary devices consider its context in the Bible the liturgical year and the lectionary use Scripture resources to arrive at its meaning practice the text and pray it Work with their voice articulation tempo rhythm pauses volume and inflection Develop comfort with nonverbal skills eye contact posture and facial expression Choose an intention appropriate to the text and responsive to the needs of the community Understanding and expressing the true emotional content of the text Staying focused on the text cultivating authenticity and humility and seeking feedback Overcoming nervousness mistakes colds and other unexpected problems Developing a plan for practice and preparation *From Words of Woe to Unbelievable News: Robert D Cornwall, 2015-02-06* You've been a lectionary preacher throughout your ministry You like the discipline of dealing with the scripture of the week rather than just grabbing something that is easy for you to handle You're willing to preach on the hard stuff But what about the rest of scripture those passages that never appear in the weekly readings from the Revised Common Lectionary Are you and your congregation missing something that could be of great benefit Dr David Ackerman who writes the introduction to *From Words of Woe to Unbelievable News* felt the need to cover more of scripture and proposed a fourth year lectionary that covered passages that are not included in the Revised Common Lectionary In turn Dr Bob Cornwall a pastor highly qualified for the task chose to use these texts in a series of sermons for Lent and Holy Week He preached those sermons in 2014 We now offer these

sermons in this Topical Line Drives volume One of the stumbling blocks with new ideas is the question of how one gets started It s sometimes hard to find just the approach to take to a new set of texts and a new set of ideas Bob Cornwall leads the way finding timely and powerful applications of these difficult texts Besides being a resource for pastors these sermons provide meditations that can be used as the basis for a Lenten study or for small groups

Scripture and Memory Fritz West,1997 The history of the three year lectionaries tells a tale of an evolving hermeneutic Originating in the Roman Lectionary this hermeneutic was developed in subsequent denominational and ecumenical versions most recently the Revised Common Lectionary In keeping with the

broad appeal of the three year lectionary pattern the hermeneutic is ecumenical in character An amalgam of the historical hermeneutics of the two western traditions it uses both the memory of the Church to interpret the Bible and the Bible to structure the memory of the Church After an examination of the hermeneutic West lays out the memory patterns of the two most widely used versions of this lectionary the Roman Lectionary and the Revised Common Lectionary **Studia**
