Their shared biography draws from dozens of new interviews and hundreds of articles to document their intersecting musical journeys from playing air guitar to KISS records to rocking gyms in high school cover bands to touring the world with some of pop music's biggest names. On the Edge of Greatness Heidi Korte, 2023-03-17 I want to give away to you in this book the ability to see and recognize every obstacle in front of your artistic path as something that can be knocked down and moved aside. If you are willing to put effort in you can win. If you don't quit you win. Heidi Korte spent years holding back as a singer because of toxic mindsets. Her self esteem was rooted in having perfect performances and receiving top marks in singing competitions. Seeing the same mental obstacles blocking the artistic journeys of an overwhelming number of her students she began working with them helping them avoid the common pitfalls that most young creatives experience but so few talk about. In *On the Edge of Greatness* Heidi shares the secrets to becoming an authentic creator along with wisdom and real life stories from her students and professional creatives to help identify lie based thinking and change false belief systems so the reader can learn to move past negativity and be free to create with ease and joy. Creative blocks failure motivation self doubt schedule overload self discipline social media and steps to practically overcome them. Also included are actions to take meditations questions to work through and space for personal reflection and note taking. *On the Edge of Greatness* is designed to inspire young creatives to move beyond their self imposed limitations and turn creative dreams into realities.
