resources of his elite legal background Treating Casely Hayford s 1911 novel Ethiopia Unbound as a constitutional document and his legal writings as literary exemplars Jackson breaks down artificial divisions between African textual traditions The law for Casely Hayford and his Fante nationalist peers was intimately bound to the virtues they attached to textuality clear headedness moderation restraint and public discernment Jackson argues for this liberal disposition as a crucial and neglected part of anticolonial intellectual and political history Colonial era legal debates framed the rise of an influential consummately modern Gold Coast leader deemed fit to steer ambitious new pan African institutions and in Jackson s telling Casely Hayford emerges as his era s most emblematic figure British Books in Print ,1985 Andrew Jackson (Classic Reprint) William Graham Sumner,2017-09-17 Carl Gehrman presents an outline of the life and presidency of U S President Andrew Jackson 1767 1845 The outline highlights Jackson s education occupations election issues and political opponents as well as the major events of the administration An ongoing conflict during the Jackson Administration involved the United States government and Native Americans **The Life and Times of Andrew Jackson** Thomas E 1856-1922 Watson,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Publishers Weekly* ,1900 **The British Architect** ,1902 **Sotheran's Price Current of Literature** Henry Sotheran Ltd,1904 *The Publishers' Circular and Booksellers' Record* ,1912 Academy and Literature ,1889 **British Books** ,1912 **The British National Bibliography** Arthur James Wells,1967 **Paperbound Books in Print** ,1992 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1887
