

ANGEL INCARNATE

SECOND SIGHT

Linda L. Creel

Angel Incarnate Second Sight Volume 1

Reuben Archer Torrey

Angel Incarnate Second Sight Volume 1:

Angel Incarnate Linda L Creel, 2014-12 Bren wishes she had an instruction manual for angels who have been reincarnated or a guide to explain the visions that come with second sight. Unfortunately only a handful of angels and their half mortal offspring have this rare gift and since they are forbidden from interfering with fate she's had to wing it. Though they aren't pleasant, Bren's adjusting to watching images of her own death and the massacre of the youngest angels including her best friend Tracy when Lucifer attacked Heaven. Even being physically pulled back into the battle is tolerable, making Bren believe she can handle anything. She's wrong. After a vision shows Lucifer outside her Aeden home followed by his son Mortiel killing other half mortals and taking their daughters to Purgatory, Bren does what any good guardian would do: she goes on a rescue mission. Armed with a lot of courage and a handful of unproven weapons, Bren convinces a skeptical Tracy to go along. While her intentions are admirable, Bren's heroics may get them both killed again or worse: captured and taken to Hell.

To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking

the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides
