**Your Angels Healing Words To Guide** Andrew Marmion,2020-09-12 First Book of The Angel Guidance Series I always wanted to make an angel card deck of my own and the angels definitely heard my request They inspired me to write poetic verses intuitively I felt the power of eternity behind these simple words and the grounding they gave me was immense Peace and healing followed and I wanted to share these marvellous effects with others I was blown away by the result So this my free gift to you

or I should say it's the angels' free gift to you. How This Is Angel Therapy for Me and You. Before I made the angel meditations into my own angel cards I used to do readings while they were still in my writing pad. I numbered them one through sixty or so and would ask people to pick three random numbers. Sometimes I would get them to pick more cards. They were equally blown away by the accuracy they received. And just as these angelic words touched my heart and soul so they touched those of others. You could say they're angel abundance cards since they bring the wealth and abundance of God's love for us through His angels. They're true angelic words and a great companion on our spiritual journey. This angel wealth left me wondering if I could make a book out of my angel card deck and that's how this book came about. I pray it acts as an angel of manifestation book revealing the angelic presence of which so many people stand in need. When we experience our guardian angels close to us we immediately feel relieved and comforted. This is angel healing in action. A Spiritual Angel Book. This spiritual angel book is comprised of some of the verses from my own card deck as previously said and to help you focus on them better I added little reflections after each one. Additionally I finished with short angel prayers too. It's my hope that you will experience loving angel guidance through the use of these little meditations or angel poetry. I certainly feel them close when I use them. I also pray that these angel prayers will act as an angel detox for your soul and work angel miracles in your lives so that you experience heaven on earth. The power of the angels God given is amazing and they can help bring you comfort, guidance, healing and peace through the use of their words. Likewise I pray for a spiritual awakening for those who are spiritually tepid. May the healing words of their angels guide them to a renewed way of spiritual living.

Testimonies

Andrew showed us all how to get in touch with our angels and develop a friendship with them. Some of us felt our angels present and one of us got their angel's name. Two of us present were recently bereaved and Andy helped us connect with our deceased loved ones. One was a lad who died tragically. It was healing to experience his presence and how happy he is now. Some of us also felt confirmation in what we are meant to be doing with our lives and some guidance in with difficult life issues. Andrew really helped and encouraged us. We certainly felt the healing of the angels that night. Mary McLoughlin, Peter Ciara and Chris Mullen.

Andrew has both read my angel cards and drew my life purpose angel. I was both intrigued and excited as to what to expect. Andy's wacky sense of humour and kindness helped me be at ease. I was surprised and spellbound by such a lovely picture he produced. I felt an immediate connection. The card reading was also very accurate and some of what we discussed at our meeting is coming about. Ronah Corcoran.

Andy and I took to each other immediately. Both of us talk a lot and have a similar sense of humour. Andy drew one of my angels which is a life's change angel. She's with me for only a certain period of my life and am thankful to have her. I'd recommend Andy to anybody. He's definitely gifted. The angels are truly with him.
