English Medieval Alabasters Francis W. Cheetham, 2005 Francis Cheetham's classic survey of English medieval alabasters includes a richly illustrated catalogue of the Victoria and Albert Museum's unparalleled collection. English alabasters represent a unique contribution to medieval art. Less sophisticated perhaps than other contemporary forms of religious art they were a neglected area of study until this volume was first published in 1984. Stories from the New Testament and The Golden Legend were the most favoured subjects and the numerous examples that survive in churches and museums throughout Europe attest to their wide and enduring appeal. Francis Cheetham examines here all aspects of their production and demonstrates how the panels and altarpieces can aid our understanding of life and devotional practice in medieval times. At the heart of this fascinating study is a richly illustrated catalogue of the 260 examples in the collection of London's Victoria and Albert Museum a collection so comprehensive that it would be possible to write a survey of the subject almost without recourse to pieces elsewhere as Sir Roy Strong notes in his Foreword. Their division into subject categories is an invaluable aid to identification and classification. The late Francis Cheetham was an acknowledged expert on medieval English alabasters and this reissue of his classic work will be welcomed by historians art historians collectors and dealers alike taking its place alongside his *Alabaster Images of Medieval England* which was published by the Boydell Press in 2003.

Angelwings ,2003 Lesbian and gay or queer fiction known in Mandarin as tongzhi wenxue constitutes a major contribution to Taiwanese literature as evidenced by the remarkable number of prestigious literary awards won by many of the authors of the short stories presented here Indeed the meteoric rise of this new genre was a defining feature of Taiwan s literary scene in the 1990s Queer fiction was also instrumental in forming self identifying subcultural gay readerships thus serving a significant political function But most strikingly this fiction has been immensely popular with general readers in Taiwan Hong Kong and Singapore as well as in diasporic Chinese communities worldwide The startlingly fresh brave voices that speak through these stories attest to the powerful social ferment of the past ten years in Taiwan which have witnessed a revolution in discourses on sex and sexuality in the public sphere Contributors Chu T ien Wen Qiu Miaojin Chu T ien Hsin Hsu Yoshen Lin Yuyi Lin Chun Ying Chen Xue Hong Ling Chi Tawei Wu Jiwen **The Keystone** ,1913 **Florists Exchange and Horticultural Trade World** ,1926 *Beowulf to Blake* Paul Robert Lieder,Robert Kilburn Root,Robert Morss Lovett,1928 **House Beautiful** ,1958 *University of Florida Monographs* ,1969
