Animal Portraits 2016 Wall Calendar Universe Publishing, 2015 Wild Masterpieces 2021 Wall Calendar Evan Douglas, 2020 **Surviving with Companion Animals in Japan** Hazuki Kajiwara, 2020-07-14 This book examines how relationships between guardians and companion animals were challenged during a large scale disaster the tsunami of March 2011 and the following nuclear disaster in Fukushima The author interrogates 1 How did guardians and their companion animals survive the large disaster 2 Why was the relationship between guardians and their companion animals ignored during and after a disaster and 3 What structures and or mechanisms shaped the outcomes for animals and their guardians Through a critical realist framework combined with a theoretical perspective developed by Roy Bhaskar and his colleagues the author argues that despite the trivialization of companion animals by government officials relationships between animals and guardians were often able to be maintained in some cases through great pains by the guardians While the notion of human animal relationships in Japan has thus far been dominated by economic logic the author reveals dynamics between guardians and companion animal transcend such structures forging the concept of bonding rights An Enchanted World Michael L. Satlow, 2026-02-03 Uncovering the vibrant spiritual life of Late Antiquity In Late Antiquity ca 200 600 CE the world was alive with unseen forces divine agents who influenced every aspect of daily life For most ordinary people religion was not found in temples synagogues and churches but in lived experience as they interacted with the supernatural in a world of uncertainty and danger In *An Enchanted World* Michael Satlow uncovers a shared spiritual landscape that stretched beyond the confines of Judaism Christianity and the pantheon of Greek and Roman deities From healing rituals to protective amulets spiritual practices were a matter of necessity transcending religious labels To get by in the world required being on good terms with the right supernatural beings and being able to ward off the bad ones Rejecting traditional narratives that focus on institutional religion and theological divisions Satlow presents a compelling case for viewing the period through the lens of lived religion This was not a religion of abstractions formulated by rabbis and priests but an enchanted world populated by divine beings who had as much if not more agency as any person Drawing on archaeological evidence historical documents and a rich trove of magical texts Satlow vividly reconstructs how ordinary people lived in a world that crackled with the energy of the supernatural His account reimagines the spiritual history of Late Antiquity centering shared human fears and aspirations and challenging preconceived notions about religious boundaries With *An Enchanted World* Satlow offers a fresh perspective on a transformative period one that has much to teach us even today about the role that spirituality can play in the secular world *The ABC, Or, Alphabetical Railway Guide* ,1904 **GROWING IN GRACE** Barbara Ritchey, 2024-06-10 A mom incapable of love Multiple caregiving emergencies Expensive litigation against false allegations Betrayal loss of all parents Grief Growth Giving up control Leaning on God When you are raised in a dysfunctional family with a mentally unstable mother who should love you but doesn't you spend your entire life sadly trying to earn that love until one
