Writing Anecdotes

Anecdote: A short personal story that relates to your topic, helping reader to like and be more interested in your message.

Why write anecdotes? Anecdotes can make your audience more interested in life and be more interesting to readers!

3 Rules of Anecdotes:

1. Keep it short (1 paragraph)
2. Use interesting details
3. Connect it back to your purpose

Let's look at:

Principle: If you could change one thing in this world, what would it be and why? Write a short anecdote.

Reasons: If I could have everyone in this country understand one language... Spanish. This is not in Washington, D.C. This country sells in Spanish, and it would be easier for everyone to communicate using Spanish. I would have more... my friends and others I connected to the Spanish language. "Hola, como estas?" If I had been able to speak Spanish, I would have understood each other.

Let's Write an Anecdote!

Anecdote: Think of a reason to answer this prompt. Then, write an anecdote personal story (anecdote) you could write about in a short personal story (anecdote) you could write instead of your reason. Write it in the boxes below.

Prompt: If you could change one thing in this world, what would it be and why? Write a short 1 paragraph to explain your answer.

Reason: _____

Anecdote: There I was in Santiago, Chile at the airport... alone. The customs official was checking everyone in Spanish, and I couldn't understand anything he said! After two and a half hours of long hours, I finally figured out what he needed from me... my passport! Thankfully, it turned out I had it... my passport! Thankfully, it turned out I had it... my passport! "Hola, como estas?" I proudly announced. "Hola, como estas?" I mean, I only had been able to speak Spanish from the long hours, we could have understood each other!
