Amazon Textbook Rental:

Inside Book Publishing Angus Phillips, Giles Clark, 2019-08-09 Now fully revised and updated for its sixth edition *Inside Book Publishing* is the classic introduction to the book publishing industry Giles Clark and Angus Phillips offer authoritative coverage of all sectors of the industry from commercial fiction and non fiction to educational publishing and academic journals They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth of audio Major themes are explored including the development of digital products and the use of social media in book marketing as well as those that affect publishers businesses such as the rise of internet retailing rental models for student textbooks and open access where academic content is free to the user Case studies from industry experts give fascinating perspectives on topics such as crowdfunding self publishing and how authors can market themselves The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing sales and distribution As a manual for those in the profession and a guide for the potential publishers of the future *Inside Book Publishing* remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider's view of this exciting industry

Creativity and Innovation Jonathan A. Plucker, 2021-09-03 Creativity and innovation are frequently mentioned as key 21st century skills for career and life success Indeed recent research provides evidence that the jobs of the future will increasingly require the ability to bring creative solutions to complex problems And creativity is often the spice of life that little extra something that makes the mundane into the interesting making our routines into fresh new approaches to our daily lives Over the past quarter century our understanding of creativity has advanced significantly we know more about what it is and isn't we better understand how to foster it and we have deeper more complex knowledge about how it relates to intelligence leadership personality and other constructs This book brings together some of the world's best thinkers and researchers on creativity innovation and entrepreneurship to provide a comprehensive but highly readable overview of these exciting important topics

The Publishers Weekly, 1924

Mass Communication Ralph E. Hanson, 2024-12-09 The

best selling *Mass Communication Living in a Media World* offers an accessible introduction to mass communication equipping students with the critical thinking skills to become savvy media consumers Using a storytelling approach the text weaves in examples drawn from everyday life making it easier for students to retain the material and connect it to their own media experiences Readers are encouraged to consider the media industry from the inside out and in doing so discover the many dimensions of mass communication that operate in our society This newly revised Ninth Edition highlights the aftermath of how the media industry and media consumers have evolved since the global pandemic closely examining the changing the face of media today
