Ruane, 2000-06-06 Using the European Defence Community EDC as a case study this book examines the competing and often conflicting view of the British and American governments towards European integration in the early 1950s The British fearing an agonizing reappraisal of the American defence commitment to Europe if the supranational EDC failed went to great lengths to ensure the success of the scheme When despite these efforts the EDC finally collapsed in August 1954 NATO was plunged into arguably the most severe crisis in its history The crisis also possessed an Anglo American dimension with London and Washington badly divided on how it should be resolved In the end the British were instrumental in the creation of the Western European Union as a successor to the EDC Their crisis management however had been rooted in fear of the agonizing reappraisal a danger dismissed by many historians as exaggerated but which the British in 1954 were perhaps right to take seriously

**The Year that Never was** Catherine Hynes, 2009 We thought we were tapping the idealistic tradition of the democracies when we put forward the Year of Europe explained Henry Kissinger National Security Advisor in the Nixon White House We did not know what we were letting ourselves in for President Richard Nixon's claim during his second inaugural address that we stand on the threshold of a new era of peace in the world reflected his relief at the formal conclusion of the war between the United States and North Viet Nam Freed from the trauma of this conflict the Administration's attentions could now be redirected to the deteriorating transatlantic alliance In a self conscious attempt to echo the heady days of the Marshall Plan Kissinger persuaded a reluctant President that now was the perfect opportunity to initiate a comprehensive reassessment of the alliance The new initiative called the Year of Europe quickly became a central part of Nixon's second term public relations campaign Drawing on recently declassified documents from both the British and American National Archives Hynes examines how the Year of Europe became a pivotal year in British foreign policy for all the wrong reasons Set against the turbulent world climate of the early 1970s it provides a vivid insight into the bizarre diplomatic modus operandi of the Nixon Kissinger White House It also offers a fresh interpretation of the difficulties faced by British Prime Minister Edward Heath as he sought to rebuff Kissinger's overtures and reorientate Britain's foreign policy towards Europe

**The Free Trade Area and the Construction of Great Britain's European Policy, 1952-1958** Todd Alan Good, 2003 Todd A Good is an Assistant Professor in the Department of History at Grand View College in Des Moines

Iowa      **Colonial Power and National Identity** Marie Demker, 2008 This study addresses the puzzle why French Prime Minister Pierre Mendès France managed to grant Indochina independence through negotiations but neglected the same demand from Algeria      *Studies in the Literary Imagination* , 2006      Alphonse de Châteaubriant Kay Chadwick, 2002 The Second World War spawned infamous collaborators such as Brasillach and Drieu la Rochelle men who betrayed France throughout the Occupation Among their number stands the Catholic writer Alphonse de Châteaubriant Author of the prize winning novels *Monsieur des Lourdes* and *La Brière* he turned his literary talents to the propagation of a collaborationist message in the pages of the infamous essay *La Gerbe des forces* and the equally ignominious newspaper *La Gerbe* Although nothing predisposes a Catholic to be a collaborator Châteaubriant's commitment to the National Socialist cause arose from an idiosyncratic reading of Christian doctrine which justified racism and elitism in the name of spiritual regeneration He viewed his encounter with National Socialism as a long awaited meeting of minds and championed its representatives as men of vision who would re-evangelise the world After the war Châteaubriant fled to Austria Condemned as a traitor in his absence he indulged in an attempt at self revision and fulminated against his judges until his dying day This book explores the dangerous pathways down which misplaced idealism can lead It challenges those who would obscure the proper telling of Châteaubriant's involvement or obstruct a fitting narrative of the Vichy years      Communism in Rural France John Bulaitis, 2008-09-30 The French Communist Party has traditionally been identified with the urban working class but paradoxically its position as France's main left wing party was dependent upon support from the countryside *Communism in Rural France* explores for the first time the party's complex and often misunderstood relationship with agricultural labourers During 1936 and 1937 a bitter struggle between agricultural workers and farmers swept through parts of the French countryside Coinciding with the urban social explosion which followed the victory of the Popular Front government the strikes farm occupations and increased unionisation panicked farmers and shocked right wing opinion which blamed the spread of the corrupting collectivist influences of urban society into the countryside on the French Communist Party *Communism in Rural France* traces the evolution and characteristics of the agricultural workers movement from the turn of the 20th century through the inter war years as well as the response of the government and the resistance organised by farmers during 1936-37 By focussing on agricultural workers John Bulaitis sheds light on a section of the rural population that has been generally overlooked in French rural and labour history *Communism in Rural France* explores their relationship with the French Communist Party and illuminates an important and previously neglected aspect of European politics      **Western Europe, 1996** Wayne C. Thompson, 1996-08      **France and European Integration** Michel R. Gueldry, 2001-05-30 Examines the substantive transformations brought upon the French state by European integration      French Forum , 1998      *The Atlantic Divide* Ralph Peter Güntzel, 2008      American Book Publishing Record , 1998
