Carey, 2005-07-01 The Association and Nonprofit Strategic Planning and Research Guide was created as a direct result of the need for a simple comprehensive adjustable easy to understand and use strategic planning tool providing the association executive and volunteer with a critical and methodological approach toward creating a future blueprint for planning strategically integrating the plan into the ongoing program of work and the budget while attempting to adjust for the impact and integration of differing future consequences Our previous texts The Association and Nonprofit Marketing and Communications Planning Guide and Marketing the Nonprofit Association provided an organized and integrated approach to creating consolidated marketing and communications plans and provided a link to integrating them into the strategic plan of the association This text closes the gap and provides working templates for the association to accomplish this task These two guides act in tandem to provide the association with a complete planning sequence from creating the strategic plan through assembling the product line marketing plans for each functional area of the association *Strategic Planning Made Easy for Nonprofit Organizations* Howard W. Olsen, 2005-05 **Nonprofit Mergers and Alliances** Thomas A. McLaughlin, 1996-02-23 After more than a century of proliferation and growth the nonprofit sector has reached a crossroads The continued success of an organization's mission no longer depends on fresh new programs and the extension of services but on innovative management and revitalized organizational structure The time has come for all nonprofits to consider mergers and alliances in their strategic plans For many this may seem a distasteful alternative after decades of Wall Street mergers made at the expense of workers communities and consumers but it doesn't have to be that way In Nonprofit Mergers and Alliances Thomas McLaughlin describes a context for nonprofit mergers and discusses the forces that shape their use He demonstrates that nonprofit mergers are fundamentally different from corporate mergers that they can be of immense benefit to the community as well as the merging organizations and that failure to merge can be disastrous for everyone McLaughlin focuses on the concerns of the nonprofit sector achieving the mission retaining tax exempt status behaving responsibly in the community He shows nonprofit managers and board members how to make their way through the merger process without repeating Wall Street misbehavior Using real world examples and case studies Nonprofit Mergers and Alliances offers clear practical step by step guidance through the merger process from preliminary considerations to actual implementation pointing out pitfalls and offering insightful commentary along the way This immensely helpful volume provides A penetrating discussion of the reasons to collaborate The C O R E™ model a merger alliance analysis framework Advice on partner selection Structure choice analyses Step by step guidance through merger and alliance processes A disk with forms and worksheets that any nonprofit can customize for its own needs Supplemented with easy to use checklists and analytical tables Nonprofit Mergers and Alliances helps nonprofit board members and managers make the right decisions monitor the entire process anticipate problems and find solutions quickly The information contained

in this book will help any nonprofit organization ensure the successful continuation of its mission in the immediate future as well as for years to come. We have two goals for this book. The first is to describe a context for nonprofit mergers including a discussion of the forces helping to shape nonprofits' use of mergers and alliances. It is important that nonprofit managers and board leaders be aware of both the similarities and the differences in their sector's merger patterns and techniques. Ultimately, a nonprofit sector that knows well how to collaborate will be far more effective in the pursuit of its public spirited mission. The second goal is to provide concrete guidance based on actual nonprofit mergers. From the author's Preface, Tom McLaughlin thoroughly addresses the subject in his timely and excellent new book, *Nonprofit Mergers and Alliances*. It is a must for every nonprofit professional and board member. Jere B. Ratcliffe, Chief Scout Executive, Boy Scouts of America. In a time when all nonprofit managers need to re-evaluate how to most effectively leverage the total assets of their organizations in support of their social mission, McLaughlin provides a comprehensive framework for understanding how to evaluate one's own organization and the tools needed to effectively link with potential partners. Jed Emerson, Executive Director, The Roberts Foundation. As the government continues to reduce both grants to and contracted services with nonprofits, some organizations are going to be forced to consider mergers and alliances. The key, as Tom so rightly points out, is to be prepared for change before there are no choices left. As usual, Tom is out in front of yet another business trend in the nonprofit sector. Paul Clolery, Editor in Chief, *Nonprofit Times*.

The Board Member's Guide to Strategic Planning Fisher Howe, 1997-03-06. A quick, compact guide for busy nonprofit board members by a veteran board member and sought-after consultant to nonprofits. Presenting illustrative examples and straightforward action steps, the book guides board members through each step of strategic planning, including planning meetings, using consultants and facilitators, and determining visions and values.

The Nonprofit Strategy Revolution David La Piana, 2018-08-07. Turner Publishing proudly presents a fully updated edition of *The Nonprofit Strategy Revolution*. FINALIST Ben Franklin Awards Independent Book Publishers Association Business Category. The world changes continuously and rapidly. It's foolhardy to believe that strategies should not do so as well. Nonprofit leaders already know this, but traditional strategic planning has locked them into a process that's divorced from today's reality. That's why plans sit on the shelf and why smart executives are always seeking workarounds in between planning periods. *The Nonprofit Strategy Revolution* offers a nimble and powerful alternative. In this groundbreaking book, strategy expert David La Piana introduces Real Time Strategic Planning, a fluid, organic process that engages staff and board in a program of systematic readiness and continuous responsiveness. With it, your nonprofit will be able to identify, understand, and act on challenges and opportunities as they arise. At the heart of this practical book is the Real Time Strategic Planning Cycle. Based on four years of research and testing with a variety of nonprofits, this proven process guides you through the steps to sound strategy. You'll find tools for clarifying your competitive advantage, generating a strategy screen, criteria for evaluating strategies, to be able to respond quickly, handling big questions, developing and testing
