ensemble storytelling with its non linear structures and anti heroes writers are crying out for new ways of analysing story In this hugely engaging book Anthony Mullins breaks down an extraordinary array of films unveiling new analytical tools that are insightful practical and best of all that just might inspire you to write something genuinely original Michael Lucas creator writer of Five Bedrooms The Newsreader and Party Tricks Beyond the Hero s Journey is a wonderfully fresh approach to screenwriting and story craft Anthony Mullins is masterful at marrying large ideas about creativity with a practical down to earth approach to writing His love of screenwriting both film and television is clear in the way he approaches the material resulting in an enjoyable and thought provoking read for all experience levels Warren Clarke co creator writer of The Heights The hero s journey is a story as old as time and the template for analysing it feels even older Time for a revamp Enter Anthony Mullins His thoughtful and contemporary take on crafting and critically examining story and character is a relief to read If our common goal as makers is to refocus attention on history s forgotten players and stories then we have to change how we study them Mullins provides us with new tools for excavating the psychology of characters who don t exactly know what they want and don t always change in a linear direction or at all It s a joy to read and a necessary evolution in critical analysis Meg O Connell co creator writer of Retrograde
