

AMBITION

DEFINITION

Ambition is a strong desire to achieve something, often requiring determination and hard work. It drives individuals to set and pursue goals, pushing them beyond their limits. While often viewed positively as a motivator, unchecked ambition can sometimes lead to negative consequences or behaviors.

EXAMPLES

- **To be the best at something:** An ambitious person doesn't settle for second best. They're always striving to be at the top of their field.
- **To aspire to something great:** An ambitious person has big goals and isn't afraid to pursue them.

Ambitious Politicians Patrik Öhberg, 2017-05-12 Those people who must want to rule people are ipso facto those least suited to do it This is how writer Douglas Adams neatly expressed the common view of political ambition And yet it's hard to imagine any politician getting far without it *Ambitious Politicians* brings a welcome study and insight to this conundrum Focusing first on the party centered politics of European democracies where career ambitions are necessarily different than those in the United States Patrik Öhberg looks closely at what motivates those aiming at the highest level of the political hierarchy how these motivators differ between more and less equalitarian societies and how such ambitions play out His book which draws upon a uniquely extensive survey conducted by the Swedish National Election Study Program is the first thorough study of elite politicians who aspire to the top echelons of the parliamentary system Politicians with career ambitions have a distinct idea of representation Öhberg finds they display a higher degree of political self regard and are more responsive to the wishes of the party elite in developing strategies These findings vary among European democracies and they differ from the traits and trajectories of political ambition in the United States By identifying the subtleties and charting the differences Öhberg offers a valuable lesson on whether and how representative democracies are served by politicians driven by personal ambition or by those subverting such ambitions to the needs of party or state *Ambition* this timely book reminds us has been crucial for political thinkers from Aristotle through the Founding Fathers to the latest candidate for higher office Informed by history and social science theory and grounded in a wealth of data *Ambitious Politicians* expands our understanding of the important and changing role of such ambition in collective decision making in our day **The**

Point of Existence A. H. Almaas, 2000-09-05 The founder of the Diamond Approach to Self Realization examines narcissism through a spiritual lens presenting it as our greatest barrier to understanding our true self In this book the author explores the underlying spiritual understanding of narcissism He presents a detailed map of the steps involved in working through barriers that prevent us from recognizing the most essential nature of our true identity Almaas is one of the most significant voices for a new and remarkably integrated spiritual vision His work connects the personal the universal the psychological and the spiritual not as pieces put together but as the inseparable mandala of the sacred that we are I respect his work to the highest degree and commend it to anyone interested in living the life of the spirit Jack Kornfield Ph D author of *After the Ecstasy the Laundry* **An analysis how the Balanced Score Card approach could enhance the personal**

contentedness considering the change in the society from a Work/Life balance to a multi-duty-life of individuals in consulting companies in Germany Christian Friedrichs, 2011-05-17 Inhaltsangabe Introduction 1 1 Introduction and background Social changes are making their mark Current developments constitute a tremendous upheaval that over the next ten years will exert a lasting influence on people's everyday lives their desires values and their behavior as consumers Work vs Life turns into a Multi Duty Life The uncommitted self time is diminishing The GIM Gesellschaft für Innovative

Marktforschung developed the Delphi 2017 study where they came to the conclusion mentioned above. The results are significant information on how the individuals will change their behavior and needs over the next years. But how does this affect the approaches of consulting companies that want to strengthen the work-life balance of their employees? To help our people balance work and life, Accenture has flexible work arrangements in more than 30 countries around the world. We also offer a wide variety of traditional and non-traditional work-life programs for employees and their families. Especially in times when well-educated employees are a rare property, the necessity is high to offer more than just good salaries. The innovative fantasy is needed to develop solutions that differentiate a company from their competitors. In case of different employer-particularly in cases when highest assignment is questioned from the employees, the employer must find uniquely solutions. The author wants to analyze the existing tools that are used to support the work-life balance. After questioning a representative number of consultants from different consulting companies based in Germany, he wants to elaborate areas that are important for the employees. The survey structure will be oriented on the four perspectives of the Personal Balanced Scorecard. The Personal Balanced Scorecard is based on an approach from Hubert K. Rampersad and integrates personal goals with career goals. Based on the results, the author wants to develop tools that support the individual needs. Additionally, the Personal Balanced Scorecard will be used to support employees to manage their needs and to support the employer to measure the current satisfaction level and the improvements.

1.2 Aims and objectives
The aim of the dissertation is an analysis how existing tools support an enhancement of the contentedness of employees within consulting companies based in Germany. Based on the results of the survey and on expected cultural changes evaluated in *The Complete A to Z Dictionary of Dreams* (Ian Wallace, 2015-02-10), if you've ever woken up thinking "What was that about?" This fascinating dream dictionary with over 12,000 definitions will explain everything and help you become your own dream expert. Written by highly respected Dream Psychologist Ian Wallace, this comprehensive guide will help you interpret the imagery you see in your dreams and analyse the hidden meaning and messages within them. By exploring your dreams in this way, you'll reach a deeper understanding of what you really want in life and work out how to achieve it. Whether you dream about flying above canyons, your teeth dropping out, missing the bus, or standing naked in a crowded room, Ian will help you understand what your unconscious is trying to tell you and how you can use your dreams to help you live a rich and fulfilled life. After all, a dream is just a dream until you put it into action.
