Osmun Johnson,1887    **Our Journey Around the World** Francis Edward Clark,1894    *A Journey Around the World (Classic Reprint)* Edwin S. George,2017-05-23 Excerpt from A Journey Around the World No one however intelligent could begin to tell the story of the countries and people referred to in this volume This book sets forth the impressions made upon the author by the glimpses obtained in a journey around the world and it must be remembered that impressions can honestly differ among truthful observing studious travelers This diary was written at the request of a loved one who was unable to accompany me and with whom I thus hoped in a small degree to share my daily experiences but with no thought of publication Its publication is due far more to the encouraging suggestions of friends than from any confident promptings of my own The author claims no qualifications whatsoever as a writer but endeavored at all times to keep his mind free from prejudices and alert to everything about him and especially endeavored to see the good in all things but frank in his statements of facts as observed and noted herein It was not however until we were bound for the Orient and had reached strange lands inhabited by strange people with strange customs that I was aroused to any serious effort in the writing of a daily narrative in which I endeavored to record the conditions surrounding the writer for example India depressing China smiles Korea tragic Japan attractive but imperialistic About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works    **Oxford Reading Tree TreeTops**
