**Running with Scissors** Augusten Burroughs,2010-04-01 The 1 New York Times bestselling memoir from Augusten Burroughs Running with Scissors now a Major Motion Picture Running with Scissors is the true story of a boy whose mother a poet with delusions of Anne Sexton gave him away to be raised by her

psychiatrist a dead ringer for Santa and a lunatic in the bargain Suddenly at age twelve Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor The doctor s bizarre family a few patients and a pedophile living in the

backyard shed completed the tableau Here there were no rules there was no school The Christmas tree stayed up until summer and Valium was eaten like Pez And when things got dull there was always the vintage electroshock therapy machine under the stairs Running with Scissors is at turns foul and harrowing compelling and maniacally funny But above all it

chronicles an ordinary boy s survival under the most extraordinary circumstances

*Toil & Trouble* Augusten

Burroughs,2019-10-01 From the number one New York Times bestselling author comes another stunning memoir that is tender touching and just a little spooky Here s a partial list of things I don t believe in God The Devil Heaven Hell Bigfoot Ancient Aliens Past lives Life after death Vampires Zombies Reiki Homeopathy Rolfing Reflexology Note that witches and witchcraft are absent from this list The thing is I wouldn t believe in them and I would privately ridicule any idiot who did except for one thing I am a witch For as long as Augusten Burroughs could remember he knew things he shouldn t have known He manifested things that shouldn t have come to pass And he told exactly no one about this save one person his mother His mother reassured him that it was all perfectly normal that he was descended from a long line of witches going back to the days of the early American colonies And that this family tree was filled with witches It was a bond that he and his mother shared until the day she left him in the care of her psychiatrist to be raised in his family but that s a whole other story After that Augusten was on his own On his own to navigate the world of this tricky power on his own to either use or misuse this gift From the hilarious to the terrifying Toil Trouble is a chronicle of one man s journey to understand himself to reconcile the powers he can wield with things with which he is helpless There are very few things that are coincidences as you will learn in Toil Trouble Ghosts are real trees can want to kill you beavers are the spawn of Satan houses are alive and in the end love is the most powerful magic of all *Sellevision* Amanda L.
