More importantly, it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers. The passages in the **Brilliant Activities for Reading Comprehension** series are designed to do just that. They provide children with a variety of engaging, enjoyable texts that will grab their attention and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues to plays, stories and poems. They gradually increase in difficulty as you progress through the book and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text.
