But buyer beware. A used car is likely to need more repairs and may come with a short warranty or none at all. In addition used cars may lack the latest safety features. That is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car. The auto experts at Consumer Reports have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of USED CAR BUYING GUIDE. This fabulous tool will help steer any consumer who is in the market for a used car towards the better performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice. Consumer Reports knows cars and offers the most detailed and revealing used car
