Be Real Because Fake Is Exhausting:

Be Real Rick Bezet, 2014-04-01 We live in a world of fakers Rather than being real with each other we present a carefully crafted persona that hides our faults and magnifies our good qualities But inside we long to be loved warts and all We long to stop hiding from each other and especially from God With candor and clarity pastor Rick Bezet calls readers to a life built on authenticity showing that the way to true freedom lies through reclaiming our hearts reviving our souls and renewing our minds in light of what God has done for us through Jesus Christ Through biblical stories and often funny personal examples Bezet encourages readers to live with passion integrity and perseverance He releases readers from the spiritual death that comes with pretending and leads them into a new life characterized by transparency rather than fear Worldmaking:

Psychology and the Ideology of Creativity Michael Hanchett Hanson, 2015-10-05 Michael Hanchett Hanson weaves together the history of the development of the psychological concepts of creativity with social constructivist views of power dynamics and pragmatic insights He provides an engaging thought provoking analysis to interest anyone involved with creativity from psychologists and educators to artists and philosophers *70 Seconds* Dan Holland, 2018-03-15 What God shared in seconds

took Joshua years to understand and apply what he learned What God shared with Joshua in seconds lasted Joshua a lifetime Imagine being stuck in the desert with more than a million stiff necked grumbling people Your mentor has just died and God tells you to take His people into the Promised Land a land already occupied by people with no intentions of inviting you in This was Joshua s predicament Yet in 70 seconds God gave him the wisdom and advice he needed to succeed What God told Joshua would enable him to become one of the most famous military and social leaders who ever lived What Joshua learned you can learn too Whether you are leading in an office at home or in a church this book will reveal for you Develop the new mindset you need to lead successfully 7 core beliefs that will change the choices you make How to handle adversity with faith not fear **Moving Forward** John Siebeling, 2016-12-06 Let Go of What Holds You Back and Fulfill God s Purpose Far too

many people are not living up to God s best for them limited by habits and hang ups from which they just can t seem to break free Unforgiveness addictive behavior unhealthy financial patterns limitations come in all shapes and sizes Breaking free from any of them starts the same way by walking in the truth Jesus died on the cross to set us free and enable us to experience life to the full anything less than that is not God s best If we are followers of Christ freedom is not just a benefit to embrace if we choose it s a responsibility we are called to Pastor and author John Siebeling helps readers connect the dots between what they read in God s Word and their everyday lives Each chapter highlights a specific hang up or habit that holds people back explains what God says about it and points to a way forward in freedom Practical advice and suggestions for next steps help readers see how to implement changes that give them the traction they need to move forward **Awake**
