Axford in *Music Apps for Musicians and Music Teachers* surveys the landscape of music related apps for both iOS and Android mobile devices including tablets and smartphones. *Music Apps for Musicians and Music Teachers* lists hundreds of music related apps organized by category including singing, musical instruments, music theory and composition, songwriting, improvisation, recording, evaluating music performances, listening to music, music history and literature, music appreciation, and more. App developers are listed with each app including links to their websites for updates and support. The book sections and chapters align with the newly revised National Standards for Music Education released in 2014 by the National Association for Music Education.
