Senior Director, NTA

1. NTA Scores are normalized scores across multi session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are transformed into a scale ranging from 100 to 0 for each session of examinees.
2. The NTA Score indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw scores) that particular candidate in that session.
3. The Percentile scores of a Candidate have been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$
4. The NTA Score of the Total is NOT an aggregate or average of the NTA Score of individual subjects.
5. NTA score is not the same as percentage of marks obtained.
6. Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.

Shibuya,2022-09-12 Nobody denies that trust in schools is key to success in generating any educational outcomes However trust is often eroded resulting in conflicts alienation and differentiation among school level stakeholders This book analyses

school based management SBM of education through the lens of relational trust in the context of Ghana revealing how community participation in school management leads to educational outcomes Conducting quantitative analysis of

headteacher questionnaires from public basic schools and qualitative analysis of case study schools in the Akatsi South

District of Ghana Shibuya offers critical insights into building sustainable relationships between individual households and geographical school communities He argues it is critical to highlight relational trust as an analytical tool to examine

relationships between actors and factors in school management The research finds that trust in schools is a two way mechanism and the mutuality of expectations and obligations among stakeholders is essential if children s learning outcomes
