Beckett 2014 Autograph Price Guide 2nd Edition Beckett Media LP.,2014-08-26 **Samuel Beckett's Poetry** James Brophy,William Davies,2022-12-22 Samuel Beckett's Poetry is the first book length study of Beckett's complete poetry designed for students and scholars of twentieth century poetry and literature as well as for specialists of Beckett's work. This volume explores how poetry provided Beckett a medium of expression during key moments in his life from his earliest attempts at securing a reputation as a published writer to the work of restoring his own speech while suffering aphasia shortly before his death. Often these were moments of desperation and discouragement when more substantial works were not possible moments of illness or personal loss or of public disaster. This volume includes an introduction that contextualizes Beckett as a poet and a chronology of the composition and publication of all his known poems. Essays offer a range of critical perspectives from translation theory war poetics and Irish Studies to Beckett's debts to Modernism Romanticism and the Jazz Age
