The Dawning of the Golden Age of Aquarius Albert Amao Ph. D., 2012 We are at the threshold of a transitional period from the Age of Pisces to the Age of Aquarius What should we expect from this coming New Era What are its signs What is the fate of human spirituality What will the new concepts of God and of religion be This book attempts to answer these questions based on well researched sources complemented and endorsed by cosmology archeology psychology religion Near East studies and mythology among other scientific disciplines The book also intends to clarify the confusion created by some Protestant religious leaders and sensationalistic writers who have misinterpreted the signs of the transitional period as the end of the world The truth is that we are witnessing a shift of ages that is the slow evolution from the Piscean Era to the commencing of a new worldwide social order a new chapter in human history called the Aquarian dispensation The huge conspiracy propounded by false prophets and some New Age writers whether overtly or covertly feeds

the fear and anxiety of ordinary people with unfounded apocalyptic propaganda This book attempts to give the reader an accurate perspective regarding the planetary transformations that are taking place it offers hope and inspiration as we approach the Golden Age

**A History of the Apocalypse** Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history

**Throw No More Stones** Frank Conte,2022-11-03 I don't have all the answers I make no claim how I came to perceive should replace today's acceptable understanding of the Bible But what I do know is one thing I do know out of nearly eight billion humans on earth of necessity no two were ever appointed to think or act precisely alike But since souls were created in the image of God humans inevitably followed suit meaning humans are

intelligent However without solid evidence to back up questions of human life mysteries who is qualified to proclaim what is truth and what is not So as a novitiate curiosity beckoned me to strive However it has taken me forty seven years of on again off again studying fifteen years of that to undergo a skill I did not possess that as an author I stood fast in my pursuit to try to do the best I could especially to share with those who are likewise disadvantaged Anything and everything becomes possible if one is stimulated enough There is nothing to fear for everything in life has a purpose Not comfortable as a proselytizer but if my effort in some way could motivate at least just one other soul among the eight billion I consider this struggle of mine justified This book is dedicated to all herein mentioned and then some authors who played a crucial role in my understanding what the meaning of life is all about

**Bible Code II** Michael Drosnin,2003-10-28 The Bible code the ancient code encrypted in the Bible that may reveal our future was made known to the world by investigative reporter Michael Drosnin Now he reveals startling new predictions warning that we may have only three years to stop the countdown to Armageddon This dramatic account opens on the morning of September 11 2001 when Drosnin witnessed the attack on the World Trade Center and then found the terrible event predicted in detail in the 3 000 year old Bible code But according to the code September 11 was only the beginning The Bible code says we are already in the End of Days the Apocalypse foretold by all three major religions of the West Drosnin has traveled the globe to meet with world leaders to prevent the impending danger and to search for the Code Key a long buried ancient object that may completely unlock the Bible code just in time to save our world
