The Spiritual Practices of South African Clergy Shaun Joynt, 2024-12-15 Clergy play an important role in the spiritual wellbeing of their congregation. They are entrusted by the Great Shepherd to shepherd his flock, which entails leading them to green pastures and still waters, for example pastoral care and defending them from predatory animals, for example heresy. However, clergy are sheep before they are shepherds and are also in need of the green pastures and still waters of meditation, prayer, fasting and Bible study. The volume explores how clergy from five diverse denominations
