Dixon,2019-04-02 Live intentionally and embrace abundant life Imagine waking up every single day convinced that the twenty four hours ahead of you are a precious gift to be used wisely Now imagine that you know exactly how to spend them to be a force for God s good All too often we wander through life without appreciating the gift of every moment we ve been given The result An unsatisfying life missed opportunities to experience the joy of being in sync with God and days marked with apathy instead of passion Our time on earth is measured We should want to make every moment count not only because we aren t guaranteed the next one but also because this is exactly how our Savior spent His time here How then do we walk out unwavering joy filled faith every day determined to let go of the things that keep us from experiencing abundant life and fulfilling the plans God has for us The answers are found in following the footsteps of the One who lived fully because He was determined that we might do the same In this six week study of Luke we will follow the life and ministry of Jesus as we consider the choices He made on His way to the cross We ll intimately connect with a Savior who remained laser focused on His mission to love the world In return we ll receive a model

for intentional living that we can replicate to ensure we are living each day to the fullest and making a difference for God's kingdom. And together we'll determine to embrace the abundant life we are promised in Jesus. The participant workbook includes five days of lessons for each week combining study of Scripture with personal reflection, application and prayer. It's time to stop wandering and start living.
