A Dictionary of Biblical Allusions in English Literature Walter B. Fulghum, 1965 **A Dictionary of Biblical Allusions in English Literature** Walter B. Fulglum, 1965 Allusive and Elusive: Allusion and the Elihu Speeches of Job 32-37 Cooper Smith, 2022-02-14 Elihu is among the most diversely evaluated characters in the Hebrew Bible. Attending to the inner Joban allusions in the Elihu speeches Job 32-37 provides both an explanation and appreciation for this diversity. After carefully defining allusion this work identifies and interprets twenty three allusions in Job 32-37 that refer to Job 1-31 in order to understand both their individual significance in the Elihu speeches and their collective significance as a compositional feature of the unit. This allusiveness is shown to both invite and explain the varied assessments of Elihu's merits in the history of interpretation.

A People Heeds Not Scripture Jillian L. Ross, 2023-03-27 Everyone did what was right in their own eyes. This well known indictment rumbles across the epilogue of Judges denouncing God's people as wayward. Yet understanding the source of Israel's degenerative and downward spiral comes from an oft overlooked declaration: Yahweh is testing Israel's fidelity to the commandments he gave by the hand of Moses. By employing covert allusions rather than explicit quotations, Judges contrasts the obvious sins of Israel with veiled reminders of the law that they have abandoned. In this volume Jillian Ross employs current insights from literary theory establishing a robust methodology for identifying allusions in the text. Once applied the allusions to the Law especially as presented in Deuteronomy display three clear peaks: the prologue, Gideon narrative, and epilogue. The results suggest that Judges teaches a Deuteronomistic concept that the Israelites failed to obey the Torah particularly its call for covenant fidelity in worship and warfare as given to them by the hand of Moses.

chapter The Prophet and the Sage Brian M. Koning,2023-03-29 Job and Habakkuk represent the Bible's most focused interlocutors on the concepts of justice and theodicy Both works center upon men chosen by God who see and suffer evil Job 1 8 cf Hab 1 1 Both books record the cries of these men as they wrestled to make sense of the world in which they lived Job 3 cf Hab 1 2 4 While they have a passing similarity what if there is something more fundamental to their connection What if these books are not merely two unconnected discourses on suffering but linked in a significant way By examining the texts themselves this study explores the possibility that a textual relationship exists between portions of Habakkuk and Job and how the underlying transformation of Job's theodicy shapes Habakkuk's dialogue with God
