

A photograph of a Big Lots retail store. The building is a single-story commercial structure with a light beige facade and a dark blue sign panel. The sign panel features the 'BIG LOTS!' logo in large, white, bold, sans-serif capital letters, with the exclamation mark in orange. Below the sign panel is a horizontal orange decorative band. The entrance area has large glass windows and doors. A 'SALE' sign is visible in one of the windows. The building is set against a clear blue sky, and a green tree is partially visible on the left side of the frame.

Rogers,2023-09-19 How would you like to have your funeral at any place you wanted Well in this book you will see what my uncle did He was a major coach What is a major coach Well that is where you coach literally everything basketball baseball track football martial arts swimming golf and dancing lessons He tutored adults and children and worked a regular job Lazy wasn't a word he knew What better way than to go out the way you lived your life I personally thought it was very cool My uncle's funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life Lord Jesus help us If only Erica from Mary Mary would have just given my father a solo at their church My beautiful great aunt had us join a procession at the funeral as if it was a wedding We sat in white chairs on the football field as if we were holding a presidential election He was just that special My uncle's only daughter's wedding colors were purple and white And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle My father felt like this was his time to shine He didn't have to shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn't miss my uncle's funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn't be anyone's cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that's love That should be our cup of tea Not religion      **California Outlook, a Progressive Weekly** ,1911      **The Duroc Bulletin** ,1915      **The Bee Keepers' Review** ,1894      **Grammar and Style Choices for College Writers**

Olga Griswold,Jennie Watson,2022-09-08 This textbook provides a practical guide to grammar and style choices for college writers giving students a basic vocabulary for thinking and talking about language use and enabling them to make purposeful choices in their writing Each section includes a short overview of a grammatical topic accompanied by exercises for raising the students awareness of and skills in using specific grammatical structures It focuses on the practical and rhetorical functions of grammatical structures as they are used in expository and analytic writing rather than on de contextualized grammatical rules Students will develop a repertoire of grammatical choices and understand the strategic reasons for making these choices in their writing for various audiences It particularly attends to the structures that present the most difficulty for college students from multilingual communities and communities where a non standard dialect

of English is used on a daily basis This textbook can be used as a core textbook for grammar course as well as a supplementary text for composition courses It is also suitable for courses tailored to multilingual advanced non native or non standard speakers of English
