## **Big Lots Senior Discount:**

**To Protect Their Interests** Stephen J. Lubben, 2026-01-22 Chapter 11 corporate bankruptcy proceedings are commonly thought of as a tool to protect the broader economy from the failure of large firms even though the biggest players reap the greatest rewards. In the conventional telling modern corporate reorganization began in the 1890s with J P Morgan leading a noble effort to protect bondholders from the depredations of corporate insiders. What does this story leave out and how do the true origins of bankruptcy law shed light on its present day uses and abuses? **To Protect Their Interests** is a groundbreaking historical account of how corporate bankruptcy became what it is today a forum for battles between well heeled insiders. Stephen J Lubben strips away the myths surrounding the history of corporate restructuring showing that it emerged a decade before Morgan when the robber baron Jay Gould strove to keep control of his railroad by working out a compromise with a handful of wealthy investors. The 1885 restructuring of Texas and Pacific Railway set the pattern for future corporate reorganizations. Insider dealing, elite manipulation of the legal system and judicial deference. Lubben traces the evolution of the bankruptcy system through a series of major cases involving companies such as W T Grant and Toys R Us demonstrating that it has always been a way for the powerful to maintain power. Revealing the sordid origins of bankruptcy law this book also considers the limited prospects for reform.

**Corporate Yellow Book**, 2008 **The Leisure Seeker** Michael Zadoorian, 2009-01-27 John and Ella Robina have shared a wonderful life for more than fifty years. Now in their eighties Ella suffers from cancer and has chosen to stop treatment. John has Alzheimer's. Yearning for one last adventure the self proclaimed down on their luck geezers kidnap themselves from the adult children and doctors who seem to run their lives to steal away from their home in suburban Detroit on a forbidden vacation of rediscovery. With Ella as his vigilant copilot John steers their 78 Leisure Seeker RV along the forgotten roads of Route 66 toward Disneyland in search of a past they're having a damned hard time remembering. Yet Ella is determined to prove that when it comes to life a person can go back for seconds sneak a little extra time grab a small portion more even when everyone says you can't. Darkly observant told with humor affection and a touch of irony **The Leisure Seeker** is an odyssey through the ghost towns, deserted trailer parks, forgotten tourist attractions, giant roadside icons and crumbling back roads of America. Ultimately it is the story of Ella and John the people they encounter the problems they overcome the experiences they have lived the love they share and their courage to take back the end of their own lives.
