Non Sequiturs Beastly Things:

Non Sequitur's Beastly Things Wiley Miller, 2013-07-30 If a cartoonist successfully captures life's humorous and ironic moments in three short panels readers applaud When Wiley does the same in his single scene format they roll on the carpet laughing Non Sequitur not only breaks the three panel mold it succeeds without regular characters standard settings or repeat situations to fall back on Each piece in other words hangs out there as Wiley's snapshot of the worlds of work leisure and life's many crossroads Non Sequitur's *Beastly Things* as guided by Rolf the dog keeps readers howling growling and scratching for more You will delight for instance in crocodiles luring fishermen with dollar bills Randy the science lab kid who announces that his homework ate his dog and the desert dweller who celebrates the change of season by raking needles beneath his cacti

Non Sequitur's Sunday Color Treasury Wiley Miller, 2013-07-30 Non Sequitur creator Wiley Miller truly broke the cartoon mold when he first published his strip in 1992 This hugely popular cartoon is chock full of witty observations on life's idiosyncrasies The name of the comic strip comes from the Latin translation of it does not follow Each strip or panel stands on its own individual merits Strips do not follow in a sequence and are not related Non Sequitur's characters are not central to the plot the humor is Before it was even a year old Non Sequitur was named the Best Newspaper Comic Strip of the Year by the National Cartoonists Society With an ever expanding cult following this quirky cartoon is set in no specific time period or place It is a whimsical yet flippant look at everyday life

Why We'll Never Understand Each Other Wiley Miller, 2003-04-02 Non Sequitur has been entertaining fans for more than a decade with its Twilight Zone of cartoon moments Day after day Non Sequitur hilariously jabs at the feats and foibles of life skewering everyone from politicians to teenagers Wiley's irreverent satirical wit combined with his superbly crafted illustrations confirms that the universe is one big joke at humanity's expense That said some of Non Sequitur's most popular panels have been the ones where Wiley has offered his takes on What he heard what she said In strip after strip the cartoonist succinctly captures the absurd and unexpected miscommunications that lie at the heart of every relationship For example o What he heard Let's go drain the life force from your body What she said Let's go shopping o What he heard Honey why don't you put your head in a vise and I'll turn the handle until your skull explodes What she said Honey why don't we turn off the TV and just talk o What she heard Life as we know it will cease to exist unless you can alter the space time continuum What he said Honey are you almost ready yet Everyone who's ever tried talking to anyone about anything will find Why We'll Never Understand Each Other to be the perfect way to laugh about it all and maybe or maybe not try again

Lucy and Danae Wiley Miller, Wiley, 2005-04 It is a rare cartoonist who can introduce new characters into a successful strip without upsetting readers But since Wiley introduced Lucy the lovable Pygmy Clydesdale with an attitude as the companion to Danae Non Sequitur's cynical anti heroine fans have been clamoring for more of the pair Now readers can enjoy the adventures of Lucy and Danae in the Non Sequitur collection dedicated to their exploits Lucy and Danae Something Silly This Way Comes Lucy's

lovable equine goofiness tempers Danae's overdeveloped cynicism as Danae struggles with school her father and her sunny little sister Kate World weary beyond her years Danae sports a skull in heart T shirt and perpetual scowl while Lucy embodies unbridled optimism with her horsey grin From their first meeting at summer camp to Danae's sneaky yet noble plot to train Lucy as a guide horse for the blind they do exist to an unplanned expedition to Santa's Workshop in Maine not the North Pole Danae and Lucy turn the cliché of a sentimental girl and her horse upside down and inside out With Lucy and Danae Wiley Miller has found a winning combination that readers can't resist Comics through Time M. Keith Booker,2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers American Book Publishing Record ,2001
