The Marmor Man A Story For Passover:

The Jewish Story Finder Sharon Barcan Elswit, 2012-08-10 Storytelling as oral tradition and in writing has long played a central role in Jewish society. Family educators and clergy employ stories to transmit Jewish culture traditions and values. This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion. Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross-references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish folklore. **The Emanu-El Review**, 1916 *How Judaism Became a Religion* Leora Batnitzky, 2013-08-25 Is Judaism a religion, a culture, a nationality, or a mixture of all of these? This title tells the story of how Judaism came to be defined as a religion in the modern period and why Jewish thinkers have fought as well as championed this idea. Returning to Babel Amalia Ran, Jean Cahan, 2011-10-14 This volume offers a re-examination of some of the prevalent paradigms in Latin American Jewish Studies and an instigation to further explorations in this area. It sets out from an interdisciplinary standpoint comprising literature, culture, history, cinematography, music, and visual arts. This collection of articles seeks a wider range of theoretical and disciplinary perspectives concerning Latin American Jewish experiences and thereby offers a framework for innovative as well as traditional modes of analysis. It elaborates on themes of Jewish identity as represented in the history, cultures, and societies of Latin America in the current era of hybridism and transnationalism. **Catalog of audiovisual productions** United States. The Jewish Story Finder Sharon Elswit, 2005 A subject guide to hundreds of Jewish stories, this book's purpose is to help teachers, rabbis, librarians, folklorists, parents, and storytellers find the right story to match their need. It also will lead educators to a wealth of Jewish stories on universal themes for use in multicultural programs for all ages. The stories are numbered for easy reference and grouped in broad categories, for example, God, faith, and prayer; rabbinic wit and wisdom; tricksters and fools; festivals and holidays. For each story, a list of tellings, author, and book title provides numerous options for the story seeker, and a list of keywords connects the story subject categories. Two cross-referenced indexes make locating stories easy, whether by subject keywords or by title. An appendix lists recommended stories for children of different ages, from lower elementary through middle school. The bibliography of almost 200 story collections and picture book tales gives the information needed to locate a source for every story in the book. *Catalog of Copyright Entries* Library of Congress.
