Brook, 2016-01-18 *Conjugal Rites* explores the legal shape of marriage as it has been determined by countless decisions concerning entry and exit into the ancient rite Heather Brook examines the countless rules and protocols governing marriage that make it valid in the eyes of the law She argues that the various sexual performatives associated with marriage can establish reinforce or rupture conjugal unity while exploring the historical and political regulations and prohibitions marriage has faced Brook unites past and present public and private to investigate the changing meanings and effects of conjugality and challenge the way we think about sex gender and relationships Discovering Your Sexual/Spiritual Power Sue

Mize, 2001 Dear Reader *Discovering Your Sexual Spiritual Power* is a self help book or as I like to think of it a treasure map It is also a novella The novella takes you into the private and passionate world of colleagues Lilith Swan and Grant Davis as they engage in an unadulterated extra marital affair Lilith discovers her sexual spiritual power through this affair and she will guide you in discovering yours The treasure map or self help part of the book takes you into your own private world of self discovery Self discovery is like having an affair with yourself and having an affair with yourself is like going on an odyssey an adventure to mysterious and exotic lands where you hunt for treasures This book is your treasure map and the exercises at the end of each chapter serve as X's marking the spots where your treasures are to be found Finding your treasure you will return from your odyssey to discover that your home is a place of new and endless possibilities I wish you courage on your journey Sue Mize Author *Creative Cloth Doll Collection* Patti Medaris Culea, 2011-03-01 This book is a
