## **Achieving Human Rights:**

Human Rights Michael Goodhart, 2013 Human Rights Politics and Practice is an introduction to human rights that goes beyond a purely legal perspective to look at theoretical issues and practical approaches Bringing together leading experts it is up to date with cutting edge research in a constantly evolving field      **Globalisation, Human Rights and Education**

Joseph Zajda, Yvonne Vissing, 2025-02-28 This book analyses major discourses of human rights and education It examines critically major issues confronting human rights and education both locally and globally The various chapters analyze the challenges that different societies are faced with as they attempt to implement protect and defend democracy cultural diversity and human rights in schools The book helps readers to explore their own views and consider more broadly what may be in the best interests of a fair and just society as envisioned in human rights treaties human rights education in schools and cultural diversity      **Microfinance and Development in Emerging Economies** Nishi Malhotra, 2023-09-04

Using India as a case study Microfinance and Development in Emerging Economies builds and evidences an argument that microfinance and group lending are the best way to combat and address the economic exclusion that blights so many across the Global South      Human Rights From Below Jim Ife, 2009 In Human Rights from Below Jim Ife shows how human rights and community development are problematic terms but powerful ideals and that each is essential for understanding and

practising the other Ife contests that practitioners advocates activists workers and volunteers can better empower and protect communities when human rights are treated as more than just a specialist branch of law or international relations and that human rights can be better realised when community development principles are applied The book offers a long overdue assessment of how human rights and community de      **Gender and Crime** Marisa Silvestri, Chris

Crowther-Dowey, 2008-03-18 This text provides a much needed comprehensive critical introduction to debates about the relationship between gender and crime Bringing together both feminist and masculinist perspectives the book is a one stop shop for gaining knowledge and understanding of the field of gender and crime as a whole In addition to offering an overview of key themes and issues Silvestri and Crowther Dowey breathe new life into existing and well rehearsed debates by considering the usefulness of drawing on a human rights discourse for making sense of gender crime and criminal justice In re thinking the experiences of women and men as offenders victims and criminal justice professionals within a human rights framework the authors encourage a fresh approach to traditional debates about gender and crime The book integrates empirical theoretical and policy related materials in order to encourage a thorough understanding of the field Complex ideas and debates are grounded with reference to real life examples The learning process is supported through the use of chapter overviews key terms study questions and suggestions for further reading Gender and Crime is essential reading for students and academics in criminology sociology social policy and gender studies The Key Approaches to Criminology series celebrates the removal of traditional barriers between disciplines and specifically reflects criminology s interdisciplinary

nature and focus It brings together some of the leading scholars working at the intersections of criminology and related subjects Each book in the series helps readers to make intellectual connections between criminology and other discourses and to understand the importance of studying crime and criminal justice within the context of broader debates The series is intended to have appeal across the entire range of undergraduate and postgraduate studies and beyond comprising books which offer introductions to the fields as well as advancing ideas and knowledge in their subject areas

**The Routledge International Handbook of Critical Disability Studies** Katie Ellis, Mike Kent, Kim Cousins, 2024-12-26 Disability impacts everyone in some way Approximately 10 20% of the world's population live with disability and the associated issues affect not just these individuals but also their friends family and colleagues When looking at it this way it is strange that disability continues to be thought of as an anomaly either as a medical problem located in a damaged body or something that exists exclusively outside the body in a society that takes little account of non normative bodies Critical disability studies both questions these existing notions of disability and interrogates how they have become a part of the academic attitude towards the field As the first comprehensive handbook on critical disability studies this volume provides an authoritative overview of the subject Including 32 chapters written by established scholars and emerging next generation researchers it also includes contributions from activists writers and practitioners from the global north and the global south Divided into three parts Representation art and culture Media technology and communication and Activism and the life course it offers discussions on core critical disability studies topics including the social model technology studies trauma studies representation and queer theory as well as ground breaking work on emerging and cutting edge areas such as neurodiversity and critical approaches in the Middle East United States Australia and Europe It is required reading for all academics and students working in not just critical disability studies but sociology digital accessibility and inclusion health and social care and social and public policy more broadly
