DeCock analyzes four important early Christian treatments of the Gospel of John including commentaries by Origen and Cyril from the Alexandrian tradition and the homilies of John Chrysostom and the commentary of Theodore of Mopsuestia which represent Antiochian traditions DeCock maintains that the traditional distinction between nonliteral and literal interpretations in these two early Christian centers remains helpful despite recent challenges to the paradigm She argues that a major and abiding distinction between the two schools lies in the manner in which Alexandrian and Antiochian authors apply the gospel text to their respective communities DeCock demonstrates that the Antiochenes find primarily literal moral examples and doctrinal teachings in John's Gospel whereas the Alexandrians find both these and nonliteral teachings concerning the immediate situation of the church and of its individual members Features An examination of each author's interpretations of a selection of texts Focused explorations of John 2:4 and 9:11 in early Christian exegesis A study of early literal/nonliteral interpretations of John's Gospel

The Gospel's Reach Dr. T. L. Toliver, 2025-05-12 The dictates of life can be so demanding and critical that the man/woman/boy or girl finds difficulty in making a pathway through the encumbrances and hindrances it tends to pose as roadblocks The Gospel's Reach: God's Breakthrough of Your Overcoming offers inspiration from biblical commentary as to how to allow for the Lord to see you through onto victory as He has set forth for you to enjoy and possess Yes there will be frustrations and challenges along your way but trial by fire induces the purity of His refinement for you to become likened unto Christ as born again Christians to meet with the enjoyment of hope and pristine joy His promises has for you on a daily basis Topics of concern within social variance include but not limited to the following suicide bullying truancy divorce marital dysfunction familial dynamics juvenile delinquency sibling rivalry and human relation instability that involve Substance Abuse Physical Abuse Emotional Breakdown Mental Health and Spiritual Connectivity

Love in the Gospel of John Francis J. SDB Moloney, 2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus's words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God's love known and calls all who follow him to do the same This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship

The King and the Kingdom, 1893

Revelation and Concealment of Christ Saeed Hamid-Khani, 2021-03-16 The elusive disposition of John's language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio-linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John's language within an exegetical and theological framework He argues that the *Sitz im Leben* of Johannine language was an environment in which the Hebrew

Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God *Ablaze* Deacon Keith Strohm,2019-08-15 Our Catholic faith teaches that we should experience new life abundant joy and exuberant hope Yet sadly many of our parishes lack any of these Drawing from decades of experience and service to over a hundred parishes Deacon Keith Strohm breaks down the often complex and overwhelming task of parish renewal using a simple to understand framework that can help put your community on the path to vitality Whether you ve just begun the journey toward parish renewal or your parish is well on its way toward new life and mission this book will provide critical insights and tools to help you on the way *Ablaze* gets to the heart of the matter in challenging parish and diocesan leadership to step up and in spite of the cost lead a transformation of the culture of their organizations from the foreword by FR JAMES MALLON author of *Divine Renovation Bringing Your Parish from Maintenance to Mission* *The Westminster* ,1905 *Christian Advocate* ,1932 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 *On Cassette* ,1990 *The Christian Advocate* ,1928 *The Christian Century* ,1922 *The Churchman* ,1890 **Metropolitan Pulpit and Homiletic Monthly** ,1928

Integrity: Living God'S Word Fr. Kevin E. Mackin OFM,2018-01-03 When the living Christ communicates his life to us this bread we eat and this cup we drink from should not only form us into a community of deeper faith but also should empower us to reach out compassionately to the people around us Yes the Eucharist is a going forth We must go from the church to wash the feet of our brothers and sisters in daily life In giving ourselves to others we will live Gods Word and act with integrity wherever we are and whatever our profession and relationships are This collection of homilies by Fr Kevin E Mackin OFM reflects on living Gods Word with integrity *Getting the Gospel Right - A Balanced View of Salvation Truth* Carl Gordon Olson,2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation* in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006
