American College of Sports Medicine, Trent Hargens, 2021-09-24. PrepU for ACSM's Resources for the Personal Trainer, 6th Edition. PrepU is an adaptive quizzing engine built by teachers and tested in the classroom. PrepU is a formative assessment and adaptive learning system. Geared to help students learn and retain course material as they progress, PrepU helps students and instructors alike adjust teaching and learning as they are happening. PrepU For Students Adaptive Learning Powered by PrepU provides students with the practice they want and need at their own pace and based on their level of understanding. The adaptive nature of PrepU means that each student's experience is personalized and different. This way, study time is more effective and efficient, and both knowledge retention and success rates increase. Personalized Quiz Builder uses data gathered from each student's performance to create personalized quizzes that focus on exactly what he or she needs to understand. Personalized Reports give students feedback about their performance broken down by topic so students know exactly where to focus their study efforts. Quick and Meaningful Remediation offers an answer key for each completed quiz, including rationales for each answer and where to find additional information within the corresponding textbook to help students quickly remediate. This access code grants 12-month access. Access to PrepU is through the purchase of a unique code redeemed via thePoint. That code will be shipped to you via U.S. mail within 3 to 7 days of your online purchase.
