**Practicing Acceptance and Commitment Therapy with Head and Heart** Lieve Bruyninx, Yvonne  
Barnes-Holmes, Ciara McEntegart, Marjolein Vleugel, Roy Thewissen, 2024-08 This book will help readers balance the  
essential scientific concepts underlying Acceptance and Commitment Therapy ACT with their clinical practice reconnecting  
ACT with its behavioural therapeutic roots and Relational Frame Theory Clinicians often struggle to understand the science  
the head that should underpin their clinical practice work the heart Without a core understanding of the scientific concepts  
underlying ACT clinicians struggle to understand how to adapt ACT in practice for specific client or group situations and why  
In response to that this book is structured to help readers understand the why of each intervention and how to use that to  
guide the next move Through a mix of explanations personal examples exercises for the therapist short cases and metaphors  
the book provides a series of science driven concepts that teach the reader to use the ACT toolbox with skilful interventions  
This manual is a must read for any ACT trainee or practitioner helping them systematically connect techniques with the  
rationale for their use      **ACT at the End** Toni Lindsay, 2024-03-21 ACT at the End is based on the principles of Acceptance  
and Commitment Therapy ACT and while it has a grounding in research it is also a hands on clinical guide for those working  
with people at a tricky and complex time of life This treatment manual is arranged to support clinicians in stepping through  
common concerns and addressing the ways that people at this stage of life may require psychological support as well as  
strategies for supporting clinicians working in this space The guide provides a formulated ACT approach to address each  
element of the Hexaflex as well as work around self compassion and using ACT approaches to support difficult decision  
making This book provides examples that clinicians will be able to apply to their own practices and tools that they can use to  
troubleshoot clinical concerns It's a helpful companion to clinicians navigating challenging terrain much in the way that  
someone might turn to a colleague for advice it is open and accessible while still recognizing the ways in which that the work  
is hard      **The Reference Catalogue of Current Literature** , 1910
