1. **What is the primary purpose of the study?** The study aims to evaluate the effectiveness of a new treatment for hypertension, comparing it with a standard treatment. The primary outcome is blood pressure reduction, measured at baseline and after 12 weeks of treatment.

Because the most important thing is to have the right kind of people, with the right kind of attitude, and the right kind of experience, to make sure that the organization is successful and the community is successful. And that's what we're trying to do with the other great companies. And we're going to have them there now.

English Language Arts, Grade 12 Module 2 PCG Education, 2015-12-18 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require. Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible. A Teacher Resource Book for each module that includes all of the materials educators need to manage instruction and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

ABOUT PCG EDUCATION PCG Education, a division of Public Consulting Group, works with schools, districts, and state education agencies to build their capacity for instructional and programmatic improvements. We provide curriculum development, coaching, professional development, and technical assistance services. Our work alongside educators and policy makers ensures effective implementation of both the Common Core State Standards and state-specific standards for college and career readiness.
