Choose Results! Make a Measurable Difference Through Aligned Action Raj Chawla, 2018-10-04 Choose Results is a deeply considered call to action to leaders committed to improving people's wellbeing. Grounded in the fields of action learning, collaborative thinking, and collective action, Choose Results elucidates the necessary but difficult task of collaborating with others in ways that align action and emphasize the personal and leverage parallel lines of work with in-depth examples from boots on the ground work. This book provides methods, worksheets, and templates to give leaders the tools and practices they need to work effectively with multiple stakeholders and partners across bureaucracies big and small. Raj Chawla has worked with hundreds of leaders who are interested in making a measurable difference in the quality of life in their communities. With a focus on practice and application, he connects leaders' inherent passion for making a difference to the discipline of using data to inform decisions and the sometimes humbling vulnerability needed to choose results.
