Friedland,2015 This state of the art casebook is both easy and fun to use It is designed to give you the basis for an enjoyable comprehensive learning experience for your students providing you with the sort of piquing materials that should prompt interested and insightful classroom discussion The focus here is on teachability rather than encyclopedic coverage of the field The classic Supreme

Court opinions are included as well as numerous problem style hypotheticals that are based on the facts of cutting edge lower court rulings The casebook also uses text boxes inside the judicial opinions to pose questions for class discussion provide practice pointers and share useful links to information about the history and impact of the decisions This mixed presentation of traditional doctrines and debates about current legal issues allows your students to hone their analytical skills as they learn to construct the arguments of today s prosecutors and defense counsel in criminal procedure litigation As with other books in the Interactive Casebook series an accompanying electronic version allows students immediate access to the full text of cited cases statutes articles and other materials in the Westlaw database *Criminal Procedure (Justice Series)* John Worrall,2017-01-09 For courses in Criminal Procedure Brief Affordable Visual Criminal Procedure Third Edition provides an affordable thought provoking look at criminal procedure that uses clear writing and eye catching visuals to get your students straight to the important concepts By focusing on these core concepts students will gain true understanding of the material without becoming overwhelmed with unnecessary information The book s conversation starting pedagogy encourages active participation in learning moving students beyond memorization by engaging them in the latest research findings and current events shaping the field Criminal Procedure Third Edition is also available via Revel TM an interactive learning environment that enables students to read practice and study in one continuous experience Learn more

Investigative Criminal Procedure Sam Kamin,Ricardo J.. Bascuas,2019 Kamin and Bascuas Investigative Criminal Procedure 3d provides an up to date historically grounded understanding of the pre trial rights guaranteed by the Fourth Fifth and Sixth Amendments Rather than focusing on the holdings of individual cases it focuses on broader concepts and themes Carefully edited majority concurring and dissenting opinions convey the development of constitutional criminal procedure law exposing the way arguments ebb and flow over time and across various doctrines The Supreme Court s classic and recent cases are reproduced and organized around a politically agnostic conceptual approach allowing students to grasp the competing theories and concepts underlying searches and seizures interrogations and the exclusionary rules Points for Discussion following each case focus students on the areas of disagreement among the justices facilitating class preparation Our goal is to get the students to think critically about why the law is the way it is what alternatives are possible and what theories and values underlie the Court s doctrine Unlike textbooks that proceed from a particular ideological viewpoint this book proceeds by defining through the study of cases the key constitutional terms pertaining to criminal procedure for example search seizure probable cause custody interrogation and prosecution and then examining how the Supreme Court s understanding of those concepts has changed over time The book endeavors to give equal attention to all the justices competing jurisprudential views and invites students to draw their own conclusions as to which more faithfully accords with the nation s founding principles The overriding objective is to encourage critical thought by requiring students to read the cases closely to distinguish between adjudication and exercises of raw power and ultimately to assess the validity of legal

doctrines in light of history logic and precedent **Criminal Procedure** Wayne R. LaFave, 2007 Step by step direction through the typical state court criminal justice system This set focuses on the pattern used by most states from pre arrest to pre trial trial post conviction and on to appellate proceedings Covers search and seizure including further limitations on exclusionary rule dynamics affecting search warrant execution and Fourth Amendment restrictions on use of force in arrest confessions sentencing and habeas corpus **Advanced Criminal Procedure** Yale Kamisar, 2002 Criminal Procedure RUSSELL L.. BURKOFF WEAVER (JOHN M.. HANCOCK, CATHERINE.), John M. Burkoff, Catherine Hancock, 2021-01-29 Description Coming Soon *American Criminal Procedure* Stephen A.
