**The Moral Life According to Mark** M. John-Patrick O'Connor,2022-04-21 M John Patrick O Connor proposes that in contrast to recent contemporary scholarship that rarely focuses on the ethical implications of discipleship and Christology Mark's Gospel as our earliest life of Jesus presents a theological description of the moral life Arguing for Mark's ethical validity in comparison to Matthew and Luke O Connor begins with an analysis of the moral environment of ancient biographies exploring what types of Jewish and Greco Romanic conceptions of morality found their way into Hellenistic biographies Turning to the Gospel's own examples of morality O Connor examines moral accountability according to Mark including moral reasoning the nature of a world in conflict and accountability in both God's family and to God's authority He then turns to images of the accountable self including an analysis of virtues and virtuous practices within the Gospel O Connor concludes with the personification of evil human responsibility punitive consequences and evil's role in Mark's moral landscape *The Messiah of the Gospels* Charles Augustus Briggs,1894

**Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion,2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber's *My Utmost for His Highest* in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day's study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of *Nuggets of Truth A Bible Student's Devotional and A Bible Teacher's Resource Handbook* reveals the two fold purpose and use of this book It is meant to be a devotional for

Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase    **The Sunday-school Times** ,1889    Sea Voyages and Beyond Vernon K.
