**Reading Stories For Comprehension Success** Katherine L. Hall, 1997-01-01

For classroom reading teachers and specialists, this unique resource is one of two volumes of *Reading Stories for Comprehension Success*, packed with ready-to-use story lessons and activities for building students' reading comprehension and writing skills in grades 1 through 6. Volume I, PRIMARY LEVEL, presents 45 detailed lessons, reproducible story selections, and questions and related activities for reading grade levels 1, 2, and 3. Volume II, INTERMEDIATE LEVEL, presents 45 detailed lessons, reproducible story selections, and questions and related activities for reading grade levels 4, 5, and 6. The story lessons and activities in both volumes are designed with modifications for the learning disabled built in. They can be used with all regular and special students in any basal or whole language reading program and help increase students' confidence, interest, and involvement in learning while growing comprehension skills. You'll find 15 story lessons at each grade level. Each story lesson is organized into the following sections: About the Story: A brief overview introduces the story's topic, e.g., *Fast Food Computers*, *Reading Level 2*, or *The Mystery of St Elmo's Fire*, *Reading Level 4*. Preview Words: A helpful word list introduces students to any unfamiliar vocabulary. Books to Read: Recommended books relate to the subject of the story lesson. Videos, CD's, Records, Cassettes: These additional resources will help get students hooked into the story lesson. Introductory Activities: Role playing, card games, crafts, projects, and other activities familiarize students with the topics of the story. The Story: Each factual story is designed to capture and hold children's interest and is accompanied by a reproducible full-page picture. Questions: Specially designed comprehension questions require students to think out their answer and respond with complete written sentences. Extension Activities: Projects, plays, and a variety of other activities allow the student to experience the subject beyond the story. Each grade level volume also includes a special introduction offering detailed suggestions for using *Reading Stories for*

Comprehension Success with students of all abilities This covers teaching strategies reading ability guidelines sentence writing lessons and directions for effective use of the pre tests teacher lesson plans and student data sheets In short Reading Stories for Comprehension Success gives you a single developmental program you can use with all of the regular and special students in your classroom It provides maximum flexibility in lesson preparation and the freedom to base each lesson on your students needs

**Introduction to Psychology** Dennis Coon,1998-08 In this revitalized redesigned and thoroughly updated Eighth Edition of his best selling text Dennis Coon once again presents psychology in a way readers will find fascinating relevant and above all accessible Professors and readers alike have found Coon s text not only interesting and easy to read but exceptionally easy to learn from Built into every chapter are a number of features that help readers grasp major concepts develop a broad understanding of psychology s diversity and see for themselves how psychology relates to the practical problems of everyday life Professors and readers appreciate the way that Dennis Coon speaks to his them His delight in the subject matter of psychology and in his own readers curiosity insights imagination and interest is apparent on every page While Coon reports the latest research the latest controversies and the key scientific content important to the course he does so with a sense of humor and an awareness of readers learning needs that set his book apart from any other in the field In a course where professors are frequently confronted by readers who haven t actually read their textbooks Coon s text offers a solution Coon effectively presents an approach that involves readers and gets them hooked on psychology and eager to read on Because readers become actively involved with the material they develop a basic understanding of psychology that they take with them into their future courses and careers Dennis Coon was the first textbook author to make effective use of cognitive principles to teach psychology by building each chapter around the SQ3R study reading formula survey question read recite and review Because SQ3R has been a part of the underlying structure of the text from its inception this proven method works better in Coon s text than in any of the many texts that have emerged over the years that have incorporated the SQ3R structure as and add on
