West Who cares about being a fan favorite when you've found someone who's there just for you Indigo AKA Indie loves the art of special effects makeup and sometimes wonders if making monsters and zombies could be more than a hobby But her sister Violet is a TV actress whose career has blown up big and become its own kind of monster It's affected everything their parents have split their dad's too busy being Violet's manager and Indie's on her own as she agonizes over her music school application Even worse she's just been drafted into being her sister's personal assistant for a weekend Talk about being overshadowed But Indie is about to meet someone who can relate Xander Jones the boyishly sweet guitarist of the world famous band the Heartbreakers who constantly plays second fiddle to the band's bigger personalities At a hectic comic con where she's fetching bottled water for her sister Indie and Xander meet behind the scenes and hit it off Indie knows Xander deserves to step out of the shadows What if she could find the courage to do the same by defying others' expectations of her and making a new path for herself And what if she and Xander could become more than friends

Novak, 2026-04-07 From Ali Novak New York Times bestselling author of *My Life with the Walter Boys* comes the final book in The Heartbreak Chronicles series perfect for fans of Jenny Han and Kasie West When so much is uncertain how can love be the next step Even though her lymphoma is in remission Cara Samuel feels anything but normal After years of preparing for the worst she has no idea what kind of life she wants now that she's probably maybe going to live So she hopes completing a bucket list she abandoned a few years ago will help her find herself again She's already crossed one thing off the list meeting her favorite band the Heartbreakers Well it's only because her sister Stella's dating the lead singer but it's a start It's not long before Cara's taken a polar plunge started planning the tattoo she'll get and also is playing fake girlfriend to JJ Morris the Heartbreaker's drummer Okay that definitely wasn't on her list but weirdly enough the band's brashest most obnoxious member has turned out to be a surprisingly great listener and a sweet friend And when he needs to get some distance from his tricky ex Cara's happy to help out Trouble is JJ's might be catching feelings and while she'll never admit it Cara is too By now she knows better than to count on the future and the last thing she wants is for him to get hurt Can't they keep pretending there's nothing between them
