Divine Callings Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work. This call is particularly important within African American Christian traditions. *Divine Callings* offers a rare sociological examination of this markedly understudied phenomenon within black ministry. Richard N. Pitt draws on over 100 in-depth interviews with Black Pentecostal ministers in the Church of God in Christ, both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call. Viewing divine calling as much as a social process as it is a spiritual one, Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling. In some cases, those called cannot find pastoral work due to gender discrimination, lack of clergy positions and educational deficiencies. Pitt looks specifically at how those who have not obtained clergy positions understand their call, exploring the influences of psychological experience, the congregational acceptance of their call and their response to the training process. He emphasizes how those called reconceptualize clericalism in terms of who can be called, how that call has to be certified and what those called are meant to do, offering insight into how social actors adjust to structural constraints.

Sanctified Imagination Ivan L. Hartsfield, 2023-07-14 The first of its kind, this seminal work charts the unlikely theological quest for Christian holiness by founder Charles Harrison Mason and the Wesleyan Holiness Pentecostal tradition known as the Church of God in Christ (COGIC), the largest Pentecostal denomination in the United States. Through fresh research and critical analysis, this book challenges existing assumptions by scholars and reveals how little known black renewal movements informed Mason's theological understanding and that of the movement. The rich theological resources of this historically marginalized movement are not primarily accessible in academic journals, position papers, or theological treatises. Instead, these resources function as lived religion, where the theological presuppositions are embedded in primitive worship, ecstatic religious practices, and countercultural distinctives. By unpacking the lived religion of this self-professed sanctified

church this book explores how sanctification and the practice of Christian holiness shaped and empowered the COGIC its people and its practices in creative and profound ways resulting in a radical holiness ethic that emerged from an inexhaustible exilic vitality with personal social and political implications Given the challenge of Christian nationalism today this book provides a framework that informs Christian identity and faithful living for the broader Christian community

Commodity Activism Roopali Mukherjee, Sarah Banet-Weiser, 2012-02-01 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC's Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity

Unchanging Witness S. Donald Fortson, Rollin G. Grams, 2016-02-01 In Unchanging Witness Donald Fortson and Rollin Grams articulate the consistent orthodox view historically held everywhere always and by all by presenting primary sources throughout Christian history and by interpreting the biblical texts in their cultural contexts
