All I Really Need To Know I Learned On Dexter:

All I Really Need to Know I Learned on Dexter Jen Jackson,2013-06-22 A cute and punny picture book parody based on the original life lessons from Robert Fulghum s classic All I really need to know about the basic rules for life and other people s deaths I learned on Dexter This blueprint was not readily available on my primetime listings but there on my premium cable channel on Sunday nights at nine These are the things I learned and everything you need to know for your own twisted life is in these comically morbid pages somewhere Intended for People with a Sense of Humor this is a very short picture book parody You will not actually learn life lessons by reading it **The World Through Dexter's Eyes** Vickie

Versace Mullins,2017-03-07 Dexter comes into the world with many problems and he turns his family s life upside down Outside and lonely he pulls the siding off the house destroys the back door chews up the cable wires and wood patio furniture Inside he does more of the same He appears to not be trainable so out of frustration Mom contacts a dog whisperer who tells her Dexter died in a storm in a past life And when he could not find his family on the other side he grabbed the first body back into the world to try again There is something very familiar about this story to Mom Then again maybe she just feels sorry for the poor deaf guy Whatever Mom has tremendous compassion towards Dexter and there was never such a bond between master and dog one so strong he telepathically conveys his story to her This book is funny sad sweet and deep and a little inverted as it is from Dexter s point of view For all his antics he is redeemed as all he wants to do on this earth is love And it isn t until he and Mom figure out the riddle the dog whisperer presented to them that Dexter becomes the dog he was meant to be Then miracles happen grannies die daughters go away to school marriages fall apart but love prevails *Like*
