Campbell Green Bean Casserole Recipe:

Uncle John's Know It All Bathroom Reader Bathroom Readers' Institute, 2025-09-30 Uncle John and his team have once again filled a truly absorbing volume with entertaining and informative articles that make for ideal bathroom reading. Longtime fans and new readers will see their brain cells take an exponential leap forward with Uncle John's Know It All Bathroom Reader. Fascinating stories that explore the realms of pop culture, history, sports, and science plus the ever popular exploits of dumb crooks will fill voids in your knowledge that you didn't even know existed. For this 38th annual edition, Uncle John and his team at the Bathroom Readers Institute have searched high and low to bring you an all-new collection of entertaining and informative articles that includes short reads for a quick trip to the throne room as well as longer page turners for extended visits. Also included are plenty of amusing lists, factoids, quotes, and quizzes that will fill your head with all sorts of odd trivia that you can use to amaze your friends.

Campbell's Classic Recipes Publications International, Limited, 1999

US History in 15 Foods Anna Zeide, 2023-01-12 From whiskey in the American Revolution to Spam in WWII, food reveals a great deal about the society in which it exists. Selecting 15 foods that represent key moments in the history of the United States, this book takes readers from before European colonization to the present, narrating major turning points along the way with food as a guide. US History in 15 Foods takes everyday items like wheat, bread, peanuts, and chicken nuggets and shows the part they played in the making of America. What did the British colonists think about the corn they observed? Indigenous people growing? How are oranges connected to Roosevelt's New Deal? And what can green bean casserole tell us about gender roles in the mid-20th century? Weaving food into colonialism, globalization, racism, economic depression, environmental change, and more, Anna Zeide shows how America has evolved through the food it eats.

Treasury of Campbell's Recipes Campbell Soup Company, 1993

Mushroom Cynthia D. Bertelsen, 2013-09-15

Known as the meat of the vegetable world, mushrooms have their ardent supporters as well as their fierce detractors. Hobbits go crazy over them while Diderot thought they should be sent back to the dung heap where they are born. In *Mushroom*, Cynthia D. Bertelsen examines the colorful history of these divisive edible fungi. As she reveals, their story is fraught with murder and accidental death, hunger and gluttony, sickness and health, religion and war. Some cultures equate them with the rottenness of life while others delight in cooking and eating them. And then there are those magic mushrooms which some people link to ancient religious beliefs. To tell this story, Bertelsen travels to the nineteenth century when mushrooms entered the realm of haute cuisine after millennia of being picked from the wild for use in everyday cooking and medicine. She describes how this new demand drove entrepreneurs and farmers to seek methods for cultivating mushrooms, including experiments in domesticating the highly sought after but elusive truffles. And she explores the popular pastime of mushroom hunting and includes numerous historic and contemporary recipes. Packed with images of mushrooms from around the globe, this savory book will be essential reading for fans of this surprising earthy fungus.
