Hittell,2015-07-13 Excerpt from A History of the City of San Francisco And Incidentally of the State of California This book was written at the request of the committee appointed to manage the celebration in San Francisco of the Centennial Anniversary of the Declaration of our National Independence in accordance with a resolution adopted by Congress on the thirteenth of March 1876 recommending that in every town the delivery of a historical sketch of the place from its foundation should be part of the local celebration It was considered better that instead of a brief sketch to be read publicly in an hour the metropolis on the American coast of the North Pacific should have a book of several hundred pages The city furnishes material enough for a history which could never be prepared on a more appropriate occasion than in commemoration of the National Centennial year especially since it happens to coincide with the completion of the first century in the existence of our city Such a double epoch demanded some special mark of recognition There are urgent reasons why works of this kind should be written by pioneers and while there are still hundreds of pioneers living to furnish information from their personal reminiscences and from papers that will be lost when they die About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *San Francisco* Mick Sinclair,2004 As part of the Cities of the Imagination Series this book presents an in depth cultural historical and literary guide to San Francisco a beautiful city renowned for its artists eccentrics visionaries and activism     *Historic Photos of San Francisco in the 50s, 60s, and 70s* Rebecca Schall,2010 The 1950s 60s and 70s were defining moments in our nation s history and San Francisco was at the forefront of the avant garde artistic intellectual and cultural movements of the time San Francisco gave rise to the most significant countercultural revolutions of the century including the Beatniks of the 1950s the hippies in the 1960s and the gay rights movement in the 1970s This volume *Historic Photos of San Francisco in the 50s 60s and 70s* captures the revolutionary and tumultuous spirit of these historic times in stunning black and white photography The book provides a retrospective view of ordinary citizens enjoying their daily lives in an extraordinary city and illustrates the participants protests riots triumphs and tragedies of this extraordinary period in San Francisco and American history     **Historic San Francisco** Jonathan Cook,2016-10-29 San Francisco is often considered the most beautiful city in the world and is home to a diverse population that pushes the boundaries of social constructs But San Francisco has not always been the city that you see today In fact most of what we know and see of the city did not exist prior to the California Gold Rush of 1849 and the few years of gold fever that followed

The San Francisco we know today is relatively young and has been remodeled more than once over the years This book will bring to you in pictures and text a history of San Francisco of which most people are unaware Even San Francisco history buffs should find something new in these pages Visit the author s website for more books as well as links to art and prints from the author s books <https://sites.google.com/site/jccookauthor/> *Historical Gems of the San Francisco Bay Area* Richard Di Giacomo,2015-02-27 The San Francisco Bay Area is loaded with fascinating and unique historical sites that represent a broad range of historical events and eras A resident of the Bay Area or a tourist in town for a few days can see a wide range of historical sites all within a day s drive of San Francisco This book may also be useful for a teacher or parent who is looking for an educational field trip which ties in with the child s curriculum in a history literature or science class Others may find it interesting to learn more about the Native Americans or pioneer settlers in a local community So whether you are just curious about what is inside that old historical house in your neighborhood want to know how a specific historical event played out in your area or are just looking for an interesting day trip this book has something for you Many people are familiar with the more famous sites in California It is not uncommon to see tourists make a trip to see all of the California missions **Fort Point** Mary K.
