Island Alistair MacLeod,2011-11-28 Winner of the PEN Malamud Award The genius of his stories is to render his fictional world as timeless Colm T Íb n The sixteen exquisitely crafted stories in *Island* prove Alistair MacLeod to be a master Quietly precisely he has created a body of work that is among the greatest to appear in English in the last fifty years A book besotted patriarch releases his only son from the obligations of the sea A father provokes his young son to violence when he reluctantly sells the family horse A passionate girl who grows up on a nearly deserted island turns into an ever wistful woman when her one true love is felled by a logging accident A dying young man listens to his grandmother play the old Gaelic songs on her ancient violin as they both fend off the inevitable The events that propel MacLeod s stories convince us of the importance of tradition the beauty of the landscape and the necessity of memory

Island Alistair MacLeod,2000 *Island* Alistair MacLeod,2001 These slow beautiful stories resolute and resonant are small masterpieces apparently simple but actually crafted with enormous skill and precision Set against the unforgiving landscape of Cape Breton Nova Scotia they are all concerned with the complexities and mysteries of the human heart the unbreakable bonds and unbridgeable chasms between man and woman parent and child Steeped in memory and myth and washed in the brine and blood of the long battle with the land and the sea these stories celebrate a passionate engagement with the natural world and a continuity of the generations in the face of transition in the face of love and loss As John McGahern says in his eloquent foreword the work has a largeness of feeling of intellect of vision a great openness and generosity even an old fashioned courtliness The stories stand securely outside of fashion while reflecting deep change Bringing together all Alistair MacLeod s short fiction and including two previously uncollected stories *Island* represents the great achievement of one of the world s finest storytellers
