Kenneth J. Heineman, 2010-11-01 **Music and History** Jeffrey H. Jackson, Stanley C. Pelkey, 2005 This book begins with a simple question Why haven't historians and musicologists been talking to one another Historians frequently look to all aspects of human activity including music in order to better understand the past Musicologists inquire into the social cultural and historical contexts of musical works and musical practices to develop theories about the meanings of compositions and the significance of musical creation Both disciplines examine how people represent their experiences This collection of original essays the first of its kind argues that the conversation between scholars in the two fields can become richer and more mutually informing The volume features an eloquent personal essay by historian Lawrence W Levine whose work has inspired a whole generation of scholars working on African American music in American history The first six essays address widely different aspects of musical culture and history ranging from women and popular song during the French Revolution to nineteenth century music publishing in Philadelphia Pennsylvania Two additional essays by scholars outside of musicology and history represent a new kind of disciplinary bridging by using the methods of cultural studies to look at cross dressing in nineteenth and early twentieth century opera and blues responses to lynching in the New South The last four essays offer models for collaborative multidisciplinary research with a special emphasis on popular music Jeffrey H Jackson Memphis Tennessee is assistant professor of history at Rhodes College He is the author of Making Jazz French Music and Modern Life in Interwar Paris Stanley C Pelkey Portage Michigan is assistant professor of music at Western Michigan University He is a member of the College Music Society and his work has appeared in music related periodicals *American Time Bomb*
Joshua Melville, 2021-09-07 Few stories are more central to understanding our history of racially biased incarceration and

violent social activism than the life of Sam Melville Sam Melville was both reviled and admired as one of the most feared radicals in post World War II history His importance in the 1960s is widely recognized by historians and scholars as epitomizing the controversies the promise and the problems of the New Left This memoir by Melville s son opens a window into the personal life of a legend revealing the universal and all too human foibles motivating those driven to make change through violence In the current political climate at the fiftieth anniversary of the Attica Uprising this nation grows increasingly interested in the racially biased incarceration and violent social activism that has shaped our nation There are few stories more central to both subjects than the life of Sam Melville who was often called The Mad Bomber Dr Heather Ann Thompson author of *Blood in the Water* described the story of Sam Melville and his days in Attica State Prison as essential reading for any American American Time Bomb is a son s personal portrait based on years of investigation of Melville s story and the history he helped to create Joshua Melville s personal connection to the story gives a gut wrenching multigenerational tale of childhood abandonment but also adds a compelling historical study of politics history and issues of social justice
