George, 2017-05-23 Excerpt from *A Journey Around the World* No one however intelligent could begin to tell the story of the countries and people referred to in this volume. This book sets forth the impressions made upon the author by the glimpses obtained in a journey around the world and it must be remembered that impressions can honestly differ among truthful observing studious travelers. This diary was written at the request of a loved one who was unable to accompany me and with whom I thus hoped in a small degree to share my daily experiences but with no thought of publication. Its publication is due far more to the encouraging suggestions of friends than from any confident promptings of my own. The author claims no qualifications whatsoever as a writer but endeavored at all times to keep his mind free from prejudices and alert to everything about him and especially endeavored to see the good in all things but frank in his statements of facts as observed and noted herein. It was not however until we were bound for the Orient and had reached strange lands inhabited by strange people with strange customs that I was aroused to any serious effort in the writing of a daily narrative in which I endeavored to reflect the conditions surrounding the writer for example India depressing China smiles Korea tragic Japan attractive but imperialistic. His adventures begin in Boston and end some five months later along The Great Wall of China. The journey sees him take in several of the world's most important landmarks in around eighty towns and cities over a staggering 40 000 mile journey. That's quite some adventure. Whether it's the Niagara Falls in North America, the Rainforest in Australia or Tropical Islands in Asia there is something for everyone in this epic journey spanning four of the world's six continents. Across oceans, deserts and distant lands there is a story to tell packed with adventure and experiences of a different kind. Come join me on this special journey and may it encourage you to explore and discover the world on a

similar journey of your own 5 star rating on Amazon An entertaining read substantially well written informative and packed with invaluable traveller s tips I thoroughly recommend it and whatsmore I ll be looking out for Vinod s next book Tracey Gaul
