The Marriage Mirage:

Marriage Or Mirage Morolayo Owoputi,2019-04-13 This is a book on marriage and understanding successful marriage s love languages like Gary Chapman s book True marriages are a blessing but the consequences that come from a bad marriage are not experiences anyone wishes to live with as these could be cancerous to personal health families societies and nations As every day realities set in some marriages come across to the dispassionate observer as simply struggling to thrive Some marriages may appear to be in good health but lack substance While some fall apart along the way most seem to be enduring marriage rather than enjoy it Many individuals seem to be struggling to come to terms with the reality that their dreams of a blissful peaceful profitable and harmonious union have been eroded with the passage of time The surprises are just incredible There s a significant difference between a true marriage and its counterfeits Marriage or Mirage is a book for all individuals who are ready and willing to make great marriages A profoundly compelling book that unravels the secrets to having a marriage that works lastingly through the vicissitudes of life It s not a book that attempts to mock challenging or failing marriages but rather a resource to help show what marriage is not It primarily shows you how to know if there s a marriage in your house or a mirage It reveals and addresses devastating occurrences that make illusionary mirages out of many marriages today It also illustrates what the Originator s view of marriage is and spells out the roles assigned to each party in the marriage partnership to prevent the occurrence of mirages A must read With this book spouses in a discordant marriage are armed with the knowledge of what to do to redeem their marriages and those enduring marriage would discover how their marriages could become a delight rather than an exercise of endurance Even those experiencing a separation are given by this work the keys to form future workable marriages It also points out to individuals planning a divorce some truth they need to consider before saying never again Young couples about getting married are fore armed with the laws of union which they must continually exercise to build a lasting marriage Above all it will help stakeholders see how to make a marriage work such that all dreams of living happily ever after can become a reality which is the end desired for all true marital journeys [The Marriage Mirage](#) John Samuel,2014-08-09 Twenty years of marriage ends in divorce John Samuel discusses his family in laws and the events that led to his divorce An insightful look in to todays marriage dilemma and how couples might understand each other better

marriages out there in fact you must be a preacher of love Marriage is popularly seen as an institution that builds and anchors an individual's identity and the bedrock of building a civilized society a subject that should not be neglected one whose learning process never stops and has no particular formula so to think that you know it all and you do not need to know more is really not going to help matters get easier The Untold Mirage explicitly explains and exposes common and unnoticed mistakes spouses make that leads to failed marriages call it revealing secrets responsible for 90% of the world's cases of broken marriages it is regarded as a secret because only few persons know and understands the factors that play out in the background which leads to a persistent misunderstanding and divorce This book teaches spouses the essence of love respect understanding and choice It doesn't in any way limit expel or water down every other tool to maintain a happy home but gives a clearer view of salient issues spouses fail to see and understand Peacemaking is at the centre of successful marriages one that is not forcefully tested but willingly made In all the misunderstandings and fights couples must learn the act of peacemaking an action that bridges the gap between two people that have chosen to live together as one Don't think you are a peacemaker until you go read through the book and grade how much of a peace maker in your marriage you have been you might as well discover how long your spouse has been putting up with you to make the marriage work This book also looks into the menace of domestic violence in homes and the society the effects it has on not just the spouse abused but also on the lives of the children born and raised in such homes You think you shouldn't read to the end Oh no you're not thinking about it You really have to be patient sip out the goodness in this book discover the hidden secrets and my special challenge that works wonders strengthens and heals marriages **Equality for Same-Sex Couples** Yuval

Merin, 2010-02-15 During the past three decades nations all over the world have been debating whether to allow same sex couples to marry or at least grant these couples various rights associated with marriage In Equality for Same Sex Couples Yuval Merin presents the first comparative study of the legal regulation of same sex partnerships worldwide as well as a unique survey of the status of same sex couples in Europe Merin begins by providing a historical overview of the transformation of marriage from antiquity to the present He then identifies and critically compares four principal models for the legal regulation and recognition of same sex partnerships civil marriage registered partnership domestic partnership and cohabitation Merin concludes that all of the models except civil marriage discriminate against gays and lesbians just as the separate but equal doctrine discriminated against African Americans thus so called alternatives to marriage even if they provide the same rights and benefits as marriage are inherently unequal and therefore unconstitutional Lies & Lies About Lying Conrad Riker, 101-01-01 Men Are Being Played But You Already Knew That You've been lied to You've been blamed You've been gaslit into silence And every time you speak up you're told you're toxic paranoid or misogynistic But you're not crazy You're not broken You're not the problem So why does every relationship feel like a trap Why do women get away with manipulation while men are punished for speaking truth When will the double standards end This book isn't about blame It's

about power Here s what you get The hidden evolutionary strategy behind female deception and how it s weaponized daily How feminism rebranded manipulation as empowerment and made men pay for it Why white lies aren t harmless they re the first move in a long con The real reason men are silenced and how that silence is exploited How social media turned every woman into a performance artist and you re the sucker in the audience Why religion is mocked when it tells the truth about deceit but celebrated when it s twisted to excuse it The psychological playbook women use from childhood and how men are kept in the dark How to stop reacting and start seeing every lie before it lands If you want to stop being manipulated stop being blamed and finally see the game for what it is buy this book today **Marriage Mirage** Shweta Singh,2020-07-29
