**Audi A6** Bentley Publishers, 2003 Bentley Publishers is the exclusive factory authorized publisher of Audi Repair Manuals in the United States and Canada. The format has been designed for professional technicians so that finding applicable specifications is quick and easy and so that repair procedures can be grasped after a minimum of reading. All manuals are heavily illustrated with high quality photographs and drawings and cover aspects of maintenance and service work. Every manual is with factory specifications and tolerances. The Audi A6 Electrical Wiring Manual 1998-2000 covers Audi A6 models built on the C5 platform through model year 2000. This manual has been prepared using factory wiring diagrams, electrical component location information and scan tool diagnostics. Whether you're a professional service technician or a do it yourself Audi owner this manual will be indispensable as a source of the same detailed electrical system information available at an authorized Audi dealer. Unfortunately Audi factory wiring diagrams are no longer available on paper. Even an Audi owner who has no intention of working on his or her car will find that reviewing and owning this manual will make it possible to discuss repairs more intelligently with a professional service technician
