Donna-Marie Cooper O'Boyle

A Mothers Heart The Heart Of The Matter:

The Heart of the Matter ,1983 **A Mother's Heart** Mulenga Chanda,2019-03-25 Motherhood is the development of a vital relationship with God ourselves and others In this honourable role we get to discover so much about who we are and teach others about who they are Whether you have biological children spiritual children or both your relationship with God and with yourself is reflected in your relationship with others The more we cultivate our relationship with God the more we love ourselves and the easier it becomes to love our children and those looking up to us as a mother figure When we have a foundation of love in God we are able to love the people looking up to us and everything we give out flows naturally from our heart I hope you enjoy and are helped by the insight God has given me over the years as both a mother and a pastor This book will Explore the intricate and unique design of a mother s heart Identify the power of a mother s heart that is connected to God s Recognise the joy and fulfilment that comes from knowing your primary calling to know God and love others Encourage you to keep going in your pursuit of loving God and others Help value the uniqueness of every woman appreciating their individual gifts and talents *From a Mother's Heart* Elizabeth Teresa Groppe,2014 **A Mother's Heart Moved the Hand of God** Tedd A. Galloway,2014-05-06 The power of love can save a life One rainy night on the Zambian savannah a mother s heart moves the hand of God From a land laid waste by disease and drought emerges this incredible story of courage suffering and the ultimate triumph of the power of God s love This is the true story of an infant born in the bush of southern Zambia at the height of the worst drought in years That tiny life was awaiting the traditional burial lying on the chest of her mother who died during delivery For months the relentless claw of death would try to snatch another victim but God had a purpose for her life Through Tedd Galloway s eloquent and inspiring words you will learn that God s timing is perfect but not always understood Genuine Christian love is colorblind Love is costly and can be painful Every life is precious to God The cost of loving doesn t compare to the joy that comes Our world would be a different place if God s people saw each other through the eyes of the mother in this story Be inspired as you read about the body of Christ not just talking about loving each other but actually demonstrating it Tedd Galloway is a former pastor and missionary who served as a pastor in six churches For three years he worked in Zambia where he oversaw property development for his denomination He has been married to Donna for thirty nine years and is the father of three daughters Due to a spinal injury today he finds himself writing and guest speaking Reflections from a Mother's Heart J Countryman,Thomas Nelson Publishers,Terri Gibbs,2000-09 This hardcover memory journal offers a beautiful place to record a mother s life experiences family history childhood memories lighthearted incidents cherished traditions dreams and spiritual adventures for her children to treasure

HOW WE SEE GOD AND WHY IT MATTERS Robert J. Landy, 2001-01-01 This is a book about seeing the ultimate mystery as represented by the figure of God It is not about religion per se although it makes reference to many of the great religious traditions of the world and their gods Rather it is about the presence of the spiritual world and its inhabitants The author s aim is to attempt to answer the question How do we see God through engaging with the images created by a group of children from a number of different cultures and spiritual backgrounds Through a two year period the author travelled the world interviewing more than 500 children asking them to draw a picture of God to act and speak as God and to tell a story about God This text is a documentation of that journey into the lives and spiritual beliefs of children Throughout the book a broad selection of pictures and stories by the children is reproduced and paraphrased The author offers his own commentaries not as an analyst in a psychological sense or critic in a literary one but as a God seeker trusting in the power of the image to reveal meaning This unique book will be of primary interest to professionals in the field of psychology especially child and family therapists as well as art and drama therapy sociology and theology The book will also have appeal to parents and children who are looking for ways to understand their belief systems in relationship to others
